

U. S. SHIP TORPEDOED; GUNNERS MISSING

SINK AMERICAN ARMED STEAMER

Fear Naval Lieutenant and Some of His Crew of Nine Perished

SHIP'S CAPTAIN LOST

Vessel's Chief Mate and Seventeen Men, Including Three Gunners, Land

DETAILS NOT AVAILABLE

An American armed steamer—the oil tanker Vacuum—has been sent to the bottom by a German submarine and it is feared that an American naval lieutenant and some of his gun crew of nine perished in the disaster. The captain and several of the crew of the Vacuum are known to have been drowned.

While returning to the United States from a trip to Europe, the Vacuum encountered off the coast of Ireland the submarine which gave her a death wound.

Scant details of the sinking are available. This is the second armed American vessel that has been sunk in the war zone, the Steamer Aztec having gone down to the bottom April 1, as the result of an explosion.

Whether she was the victim of a torpedo or a mine has not been definitely established. One member of the American naval crew on board the Aztec was lost.

Captain's Boat Missing. London, April 30.—The American oil tanker Steamer Vacuum has been sunk. The captain and part of the crew and the naval lieutenant and nine American naval gunners are missing.

The Vacuum was sunk by a German submarine on Saturday while she was one way to the United States. The chief mate and seventeen men, including three of the American naval gunners have been landed. A boat containing the master of the ship and the remainder of the crew, together with the lieutenant and nine naval gunners, is missing.

The details of the sinking of the Vacuum are not yet available here nor have the names of the survivors or the missing been received by the officials. The survivors are expected to reach here tomorrow.

Left New York March 30. New York, April 30.—The American Steamship Vacuum, commanded by Captain W. McKay, of this city left New York on March 30 for Birkenhead, England, carrying a crew of 34 men, of whom 16 were American citizens, including nine native born.

The Vacuum, formerly the Steamship Bayamon, was owned by the Vacuum Oil company of California. She was built in 1912 at Escrow, Mich., and was brought to the Atlantic by way of the Great Lakes and the St. Lawrence river and converted into a tank steamer. Since the war began she has made frequent trips to Europe. She was a vessel of 2,551 tons gross, carried oil in bulk and was 247 feet long with a 43 foot beam.

PREDICT DETERMINED FIGHT ON FLAGG BILL

SPRINGFIELD, April 30.—A determined fight in the Illinois house tomorrow against the Flagg bill to validate scores of community high schools districts and bonds issued by them, estimated to total \$10,000,000 was predicted by its opponents today.

The districts and bonds were held invalid by a supreme court decision. Advocates in the assembly of labor unions were undecided tonight whether they would make their fight to save the woman's eight hour bill tomorrow or Wednesday. A motion will be made to non-concur in the report of the industrial affairs committee against the bill.

All bills on first reading were advanced at a perfunctory house session this afternoon. The calendar is crowded now with work that will hold the assembly in session at least six weeks longer, it is estimated.

NEW YORK TO BE BONE DRY FIVE HOURS A DAY

NEW YORK, April 30.—For five hours each day New York City will be "bone dry" after one o'clock tomorrow morning under an order of Mayor Mitchell, who took the step as a war measure.

The order affects not only saloons, but the famous all-night restaurants along the "White Light" belt in Broadway, which must close from 1 a. m. until 6 a. m.

REMARKS COST MAN \$500

Calder, Ill., April 30.—John Rodel, of Edgemoor, Illinois, today was fined \$500 in the federal court for making threatening remarks concerning the president.

PROVIDE TRANSFER OF SHIPS TO GOVERNMENT

Senate Passes Resolution By Unanimous Vote

All Efforts to Provide Methods by Which Owners Would Be Given the Right to Sue in Courts of the United States Were Defeated. Gives Government About 100 German Ships.

Washington, April 30.—By unanimous vote the senate passed a resolution tonight providing for transfer to the American government of title and possession of enemy ships in American ports and their use in commerce under direction of the shipping board.

Austrian Ships Not Included. There are about 100 German and many Austrian ships in American ports and all are under repair, but the Austrian ships are not included in the resolution as the United States and Austria are not at war.

One of the German ships—the Clara Mennig—is ready for sea and will begin loading a cargo tomorrow for Italy. The Clara, another, will be repaired by Wednesday and will take supplies to France. Five more will be ready by the end of the week.

The resolution was debated in the senate today for more than four hours behind closed doors. The discussion centered on questions of damages for the seizure of the vessels after the war.

All efforts to provide methods by which owners of the property would be given a right to sue in courts of the United States were defeated. Legislation of this kind will be left to a later date.

Several senators favored provisions to insure adjudication of claims on the ground that if such action were not taken American property in Germany might be seized and no provision made for payment. The preponderance of opinion, however, favored passage of the resolution with these features omitted.

Naval Policy Not Discussed. There was no discussion of the naval policy of the country in the executive session. The passage of the resolution was forced by Senator Knox of Pennsylvania, a former secretary of state, who said it would be a crime if the ships were not taken over at once and used as targets for the German submarines.

Mr. Knox offered a resolution different in effect but not in purpose and announced his intention to press it for passage in the near future.

While he was discussing his resolution, Chairman Culberson of the judiciary committee brought in the resolution subsequently adopted which was drawn by the department of justice and which has been under consideration in committee for more than a week.

In the executive session Senator Knox disclaimed any pride in his own resolution and made no effort to have it passed when it became apparent the senate was ready to put thru legislation to take the ships.

T. R. URGES SENDING OF TROOPS TO FRANCE

NEW YORK, April 30.—Col. Theodore Roosevelt, upon his return from Chicago today declared he hoped, as Marshal Joffre had urged, that the people in this country would realize the necessity for sending without delay an American force to the French front.

"To keep all our men here being trained by regular army, National Guard and Plattsbury officers for a year and then try to send them over as one army would mean in the first place a discreditable failure to do our duty during this year and furthermore, that the army when sent would be a 'second hand' army," asserted Roosevelt. He added that those in congress who oppose the raising immediately of "some divisions of volunteers" for such service "will be repudiating the advice of Marshal Joffre, would be voting against speedy and efficient action by the United States and will be endeavoring to the extent of their action to make this a paper war, a war in which we make speeches and let other men do the fighting."

LOWDEN READY TO NAME COUNCIL OF DEFENSE

SPRINGFIELD, Ill., April 30.—Governor Lowden is ready to name the personnel of the state council of defense the minute its creation is authorized by a vote of the house of representatives, he stated late today. The senate has already passed the defense council measure and the house will be given a chance to enact it into law today. No opposition has been discovered to its passage.

"I will endeavor to make it a real council of defense," said the governor today. "Sessions will be held by the fifteen members in Springfield and Chicago. Practically every line of business and public life will be represented on the council which will be vested with power to dispose of all questions which may arise."

An emergency clause in the defense council bill will make it effective at once.

JUMPS TO DEATH WHILE DELIRIOUS

Chicago, April 30.—Auricio C. Hinch, of Davenport, Ia., forty years old and said to be a wealthy insurance adjuster, jumped from the third floor of a north side hospital while delirious tonight and received injuries from which he died a short time later. He had been a patient at the hospital for a week.

INTRODUCE FOOD CONTROL MEASURE

House Bill Provides for Supervision of Production and Distribution

GORE OFFERS RESOLUTION

Price Fixing and Control of Grain in Making Liquor to Be Dealt with Later

ASK FOR \$25,000,000.00

WASHINGTON, April 30.—The administration's food control legislation was introduced today in both houses of congress. In the house Chairman Lever of the agriculture committee offered a bill to give the agriculture department direct supervision of food production and distribution. The program was put before the senate in a resolution by Senator Gore, chairman of the agriculture committee. The measures proposed do not cover price fixing or control of grain entering into the manufacture of liquors. Both these subjects will be dealt with in measures to be drawn later.

Calls for Immediate Survey. Twenty-five million dollars is asked for the agricultural department's use in administering the program. The legislation calls for an immediate survey of the country's food resources and confers power upon the department to prevent speculation and price manipulation. It would provide for equitable distribution and would suspend the law prohibiting the mixing of flour. It would establish and enforce standards for agricultural products and for fertilizers.

Under the measures asked the secretary of agriculture could, if the government thought it necessary, license or operate any business of manufacture, storage or distribution of food, food materials or seeds. He could compel concerns so licensed to store hoarded stocks of food, to refrain from unjust or discriminatory practices or charges or could to them to exact fair prices only.

Start Probe of Prices. The federal trade commission directed by President Wilson to investigate with the agriculture department the causes of high food prices started its inquiry today with a hearing at which representatives of state food commissions told of food conditions throughout the country. In outlining the purposes and scope of the inquiry members of the commission declared their first aim would be to remedy unlawful and economic conditions.

Forty states were represented at the conference. Many representatives blamed high prices on middlemen, and on poor transportation methods. Some of them thought there was no actual food shortage and deplored the publicity given to reports of a poor wheat crop, hoarding, some said had taken much food from the markets and had added to a general hysteria.

Distributing Systems Wrong. Governor Frazier of North Dakota declared there was something wrong with distributing systems when farmers last fall received less than one dollar a bushel for potatoes and saw them sold at retail this spring at more than five dollars.

A. E. Reynolds, a grain dealer representing Indiana said a shortage of railway cars was largely responsible for high wheat prices.

"Supply and demand no longer are related," he said, "because of the disarrangement to railway service. The man who gets cars can get any price he asks for wheat. He is marketing transportation as well as grain."

Confers With President.

Chairman Harris of the trade commission later in the day took up the food situation in a brief conference with President Wilson. Secretary Houston went over the food situation during the day at two conferences, one with the heads of the country's big produce, poultry, butter and egg exchanges and the other with editors of fifty women's magazines. The food dealers came to Washington to inquire as to the government's price fixing plans.

They were told that no immediate move in that direction was intended and that the administration would ask for power to fix prices only in event an emergency arises. The editors were called here by Secretary Houston to aid in furthering the agriculture department's food conservation plan. They promised to open their columns to the department's experts in teaching war time household economy and back yard gardening.

In the house besides the administration measure a bill was introduced by Representative Sabath of Illinois to regulate the prices of the

WAR NEWS SUMMARIZED

The expected battle in the Champagne region of France, following days of acute artillery preparation by the French forces which was answered almost shot for shot by the Germans, at last has broken. The French on Monday, eastward from Rheims, launched an attack over a front of about four miles from the south of Beine to the east of Mont Carnillet and captured several fortified German trenches.

Delivered at midday the offensive was swift and sharp and at its conclusion the French line had been driven forward to depths averaging relatively from 500 to 1,000 yards. Simultaneously to the eastward a thrust by the French northeast of Mont Haut netted them a gain of about two thirds of a mile and placed them virtually astride the Moronvillers-Nauroy road. That the fighting in this region has not yet been brought to a conclusion is indicated by the official statement of the French war office which announces that artillery duels of violence are still going on.

There also has been a continuation of the great artillery activity from St. Quentin to the Oise and along the Chemin-dez-Dames, north-east of Soissons.

Little News concerning the situation about the front from Lens to St. Quentin where the British for several weeks have made notable gains has been vouchsafed in the latest official communications. The London war office Monday night merely mentioned the reports of German attack east of Arras between Monchy-le-Frenais and the Scarpe river. The Berlin communication dismisses the Arras sector with the assertion that Monday's war office only an artillery engagement of varying intensity, but it goes to considerable extent into a description of the sanguinary engagements of Saturday at Oppy, which it is asserted still remains in German hands and north of the Donal-Arras road. The British casualties in this fighting are declared to have been more than six thousand, while more than 1,000 prisoners and forty machine guns were captured and ten tanks destroyed.

The airmen of all the belligerents continue to carry out spectacular battles in the air and bomb dropping exploits behind the fighting lines. Many gallant fighters on both sides have been brought to earth in aerial fights.

CHICAGO GRAPPLES VAINLY WITH STRIKE

Alleviation of Threatened Famine Seems Remote

Fifteen of City's Leading Bakeries and Seventy Smaller Ones Closed Decreasing Chicago's Daily Supply About 1,500,000 Loaves.

Chicago, April 30.—Chicago grappled vainly today with the bakers' strike and tonight it seemed that prospects of an immediate settlement and the alleviation of the threatened bread famine were remote.

Representatives of the strikers, whose action has closed fifteen of the city's leading markets and about 70 smaller ones with a resultant decrease of about 1,500,000 loaves in Chicago's daily bread supply, and a delegation of employers conferred with the mayor.

Intend to Fight it Out. After the conference it was announced both sides asserted an intention to fight it out. A second conference with the mayor will be held tomorrow, however and hope was expressed that a middle ground might be reached.

As a result of rush upon smaller bakeries unaffected by the strike, several attempted to equalize distribution by selling only one loaf to a customer. Small groceries and delicatessen shops announced early in the afternoon that they had no more bakery products and as a result housewives dug last week's crusts out of the bread box, toasted and served them and then prepared to bake their own bread.

Construction of two large bake ovens with a combined capacity of 6,000 pounds of bread daily was begun at the Great Lakes Naval Station which has depended on the city supply.

Disperse Strike Sympathizers.

Police dispersed strike sympathizers in several sections, the trouble being particularly manifest in the Maxwell district where men and women used kerosene to pour over bread being bought out of the Ghetto shops.

Robert W. Childs, special United States district attorney began an investigation late today to determine where the strike was in violation of war measure, it being asserted that no interference with government shipment of supplies would be permitted.

The strikers ask increased wages, shorter hours and the right to approve or dismiss all bakery foremen.

GUARDSMAN KILLS NEGRO

Spokane, Wn., April 30.—Thomas Quarles, an Idaho National Guardsman doing patrol duty today shot and killed a negro, who, while crossing a railroad bridge failed to halt when commanded.

ESTIMATE TURK LOSSES

London, April 30.—Turkish losses during the fighting against the British in Mesopotamia from April 18 to 22 are estimated in an official statement today to have been about 4,000.

FRENCH MISSION TO LEAVE ON TOUR

Will Visit Kansas City, St. Louis, Springfield and Other Cities

GO TO CHICAGO FIRST

Take Extraordinary Precautions To Insure Safety of Party While Traveling

WILL LAST A WEEK

WASHINGTON, Apr. 30.—France's war mission will leave Washington Thursday on a tour of eastern and middle western states, arranged to give its members an opportunity to see as much of the country as possible within a limited time. The distinguished Frenchmen will go directly to Chicago from Washington and later will visit Kansas City, St. Louis, Springfield, Ill., Philadelphia, New York and Boston. The tour will last a week or ten days.

To Travel on Special Train. Members of the mission, including Rene Viviani, its head, Marshal Joffre, the hero of the Marne; Admiral Chocheprat, one of the foremost officers in the French navy and the Marquis de Chambrun, descendant of General Lafayette, will travel on a special train as the guests of the United States government. The party will include among others the members of Marshal Joffre's staff, headed by Colonel Jean Fabry, "the blue devil of France," who says he is half American because he has an American wooden leg, replacing a limb shot away in action.

The itinerary was determined upon after hundreds of invitations had been received by the mission from all sections of the United States. Some came from cities on the Pacific coast and they as well as many others had to be declined because the early presence in France of the leading members is imperative and only a short time can be spared.

Will Suspend Conferences. During the tour conferences between representatives of the United States and members of the mission will be temporarily suspended; the work to be resumed when the mission returns to the capital from Boston.

The departure of the mission from Washington will mark the end of its stay as guests of the government in the capital.

When the members return they will have the status of high commissioners of France for negotiations.

Itinerary was arranged by the state department in conference with leading members of the mission and an official announcement of the details of the tour issued tonight by the department says that the "program now has been definitely and finally decided upon and cannot be changed. It was necessary to arrange the schedule so that invitations could be accepted which were the most practicable."

Take Precautions for Safety. Extraordinary precautions to insure the safety of the party while traveling have been taken.

"Because of the responsibility that will attach to the government in caring for the persons of members of the commission," the state department announced, "it is expected that the time of arrival and departure at various places will not be published."

"The press of the various cities which are to be visited are requested to refrain from indulging in speculation on these matters. The people officially responsible for their entertainment in the various cities to be visited are officially notified so that their arrangements can be made, but the information will not be for publication. The routes of their progress thru the streets of the various cities and the program of their entertainment can be made public."

Look Forward To Tour

Members of the French mission from the time of their departure from France have looked forward almost as much to their forthcoming tour as to their visit to the nation's capital.

The trip to Springfield, Ill., will be for the special purpose of visiting the tomb of Abraham Lincoln admired and revered by every member of the mission. Some simple ceremony of homage and tribute very likely will be arranged.

Elaborate plans for the entertainment of the mission are being made in each of the cities they are to visit.

TO ASK \$5 MARGIN.

Minneapolis, April 30.—Local milling companies today announced that hereafter a margin of \$5 will be asked on every barrel of flour purchased for future delivery. The action was taken with a view to curbing speculation in flour and also affording greater protection to millers.

U. S. WILL SOON MAKE A LOAN TO BELGIUM

Unofficial Estimates Place It At About \$150,000,000

Belgian Minister Makes Formal Application Monday—Discussion of French and Italian Needs Continues—May Make Loans Within Present Week.

Washington, April 30.—In addition to loans to France and Italy totalling between \$200,000,000 and \$300,000,000 the United States will soon make a loan to Belgium, the amount of which is yet to be determined. Unofficial estimates of the size of the Belgian loan place it at approximately at \$150,000,000. Formal application for a loan was not made until today when the Belgian minister, Baron de Cartier, called upon Secretary McAdoo and placed before him tentative estimates as to the relief desired.

Discuss Details with Minister. Secretary McAdoo and assistant Secretary Crosby discussed details with the minister for more than three hours. The tentative estimate, it is understood, contains provision for meeting in part the Belgian government's needs in maintaining a large number of refugees domiciled in France, in addition to the requirements of a military nature. Discussion of French and Italian needs, continued today in conferences among Secretary McAdoo, Assistant Secretary Crosby, the Italian ambassador and members of the French commission.

Vice-Premier Viviani spent more than an hour in consultation with Secretary McAdoo. It was Mr. Viviani's first call at the treasury department.

Other members of the French commission discussed the proposed loans informally with the federal reserve board at luncheon.

Indications are that the French and Italian loans will be made within the present week.

Consider Suggestion. Funds for the French and Italian loans will be raised by a further issue of treasury certificates expected within the next few days. In this connection Secretary McAdoo has under consideration a suggestion made by the federal reserve board looking to the gradual flotation of the forthcoming bond issue.

The suggestion provides for a bi-weekly offering of treasury certificates in blocks of \$150,000,000 to \$250,000,000, according to the amount of the loans ready to absorb them. The certificates may be exchanged for the bonds when the latter are issued. The suggestion also contemplates the offering of certificates to highest bidders no bid below par to be accepted.

Reports from semi-official sources that Mr. McAdoo was preparing to offer another block of certificates tomorrow were said to be premature as to the date of the offering. Announcement of terms of the bond issue, it is said, will be made within a day or two unless there is delay in reaching a decision as to certain phases as yet undecided.

SEEK INCREASE ON RATES ON ANTHRACITE

WASHINGTON, April 30.—The so-called anthracite coal railroads today petitioned the interstate commerce commission for an increase in freight rates on anthracite ranging from five cents to twenty-five cents per ton from the mines to all points for consumption.

The increases asked are five cents per ton on sizes smaller than pea coal from the mines to New York and other tide water points; fifteen cents per ton on larger sizes to the same points and Buffalo; and twenty-five cents per ton from Buffalo and Erie to all points in the middle-west.

Applications of the roads to increase rates on iron ore from lake ports to furnaces in the Pittsburgh, Johnstown and Mahoning and Shengango Valley were approved today by the commission. The new rates are a part of the general advance proposed.

IRELAND'S HAPPINESS IN BALFOUR'S HANDS

LONDON, April 30.—Lord Northcliffe, has issued a statement to the Associated Press, respecting the Irish situation, which includes the following phrase:

"The happiness of Ireland is entirely in the hands of Mr. Balfour and the British mission in the United States. The differences between the two parties here have been so slight that Mr. Balfour's influence can settle the difficulty."

WEATHER INDICATIONS AND TEMPERATURES.

Illinois: Fair Tuesday and probably Wednesday; rising temperature Wednesday and in west portion Tuesday.

Temperatures. The current, maximum and minimum temperatures as recorded Monday were:

	Current	High	Low
Jacksonville	46	56	42
Boston	42	46	40
Buffalo	52	56	34
New York	44	50	40
New Orleans	78	84	68
Chicago	42	45	42
Detroit	48	52	44
Omaha	44	46	40
St. Paul	42	46	40
Helena	36	40	26
San Francisco	58	62	46
Winnipeg	44	48	32

TO REPORT REVENUE BILL TO COMMITTEE

Sub Committee of House Ways and Means Committee Ready to Report

REDUCES EXEMPTIONS

Bitter Fight on the Measure in Full Committee is Certain

SECRECY WILL RULE

WASHINGTON, April 30.—A war revenue measure designed to raise not less than \$1,500,000,000 by direct taxes during the coming year will be reported to the house ways and means committee by a sub-committee which has been drafting the bill in secret sessions. Reduction of the income, tax exemptions from \$3,000 and \$4,000 to \$1,000 and \$2,000 for single and married persons, respectively, and an increase of the excess profits tax from eight per cent on all amounts over \$ per cent and \$5,000 and 16 per cent are two of the sub-committee's proposals. The tentative bill also carries increased taxes on liquor, beer, cigars, cigarettes and tobacco, new taxes on automobiles, soft drinks, amusement places, freight and passenger traffic and a stamp tax of wide scope.

Reject Many Proposals. Much of the bill follows the lines suggested by Secretary McAdoo, but many of the most important proposals are rejected. Included in these are all tariffs and making the income and excess profits and consumption taxes retroactive. Hence the total of the proposed bill follows falls millions of dollars short of the original figure of \$1,500,000,000 to be derived from taxes this year.

Opposition of Representative Fordney of Michigan, ranking Republican member of the committee, to raising more than \$1,000,000,000 by direct taxes is largely responsible for this situation.

Democratic Leader Kitchin also opposed consumption taxes. A bitter fight on the bill in full committee is certain. Resentment among some members aroused by the prolonged executive meetings of the committee coupled with vigorous opposition to the income and excess profits tax proposals, make storms inevitable.

Secrecy which has marked sub-committee conferences will rule in the full committee.

Not to Hold Public Hearings

There has been insistent demands from all sections of the country for public hearings, but none will be held if present plans are carried out.

Only part of the recommendations in the bill meet with the approval of the full sub-committee. A normal tax of 2 per cent would be levied by the proposed bill on all incomes above the proposed exemptions.

Above \$3,000 and \$4,000 and up to \$5,000 four per cent would be levied. Surtaxes would begin at \$5,000 and continue upward, none being higher than 30 per cent.

Decision to recommend increasing the tax on whiskey from \$1.10 to \$2 a gallon and that of beer from \$1.50 to \$2.50 a barrel was reached after determined efforts to make it higher had failed. A soft drink tax also was recommended.

In an effort to protect the manufacturer and smoker of cheap cigars, it was decided to fix a graduated tax on all kinds of cigars. Cigarette taxes would be doubled. Wholesale and retail tobaccoists would be taxed \$25 and \$6 respectively annually.

Favor Higher Percentage

Suggestions of a flat four per cent rate on both freight and passenger transportation proceeds was rejected in favor of rates higher than four per cent on passenger tickets and four per cent on freight charges. A five per cent tax on the factory cost of automobiles and musical instruments is recommended. Amusement places including motion picture houses and base ball parks, would pay stamp taxes equal to 10 per cent of their gate receipts. Other stamp taxes would be levied on bonds, certificates or stock, agreements of sale, promissory notes, certificates of profit, memorandum of sales, conveyances, entries forthwith of goods from warehouse invoice, power of attorney, parlor car seats, and telephone and telegraph messages.

RECRUITING INCREASES.

Chicago, April 30.—Army, navy, and marine corps offices reported tonight that the day had been the largest for recruiting in each branch of the service since the work began in this city. Ninety-five men were enlisted for the navy up to 6 o'clock and one hundred and twenty men for the marine corps. Army figures were withheld.

NATIONAL BABY WEEK
May 1st to 6th

In honor to "Baby Week", as authorized by the General Federation of Women's Clubs, we are featuring this week BABY TABLEWARE.

Perhaps you have a little one at home, or a little niece or nephew, whom you would like to make happy with a gift on this occasion, and nothing could be more fitting and useful than

ENLISTMENTS NUMEROUS
SINCE ROOSEVELT'S VISIT
Chicago has taken on quite a military appearance in recent days, so country visitors to the big city think. One of the principal recruiting stations is near Grant park on Michigan avenue, where several tents are pitched and the national colors are conspicuous. There are scores of men in uniform in that vicinity and mingling with the crowds on adjacent streets there are many other enlisted men.

EQUAL PAY
FOR EQUAL WORK
The American Woman's Suffrage association has begun a campaign to make certain that women receive the same pay as men, when they take the places of men who have gone to the front. There is justice in this demand at any time, that women who do "equal" work with men shall receive the same pay. And there is even more than the usual amount of justice in the present situation.

If the same conditions should prevail here that are developing in Europe, after war days will bring various problems in the relationship of men and women in the labor world. Now in the European countries at war almost every avenue of work is open to women and they are proving satisfactory workers in many lines of employment from which they were previously barred. They have taken up work as cabmen, chauffeurs, machinists and on the farm, in order to make good the vacancies caused by men going to the front and to do their patriotic part. When the war is over doubtless many of these women will want to continue in the lines of work for which they have fitted themselves, and then must come the period of adjustment.

A GERMAN'S IDEAS
OF INDEMNITIES
As a sample of counting the chickens before they are hatched, Prince Friedrich of Loewenstein, takes the lead in a pamphlet he has published, entitled "War and Peace Aims." Speaking of the indemnities which victors Germany will exact of the vanquished, he remarks that there will not be enough money in all of them to meet the bill but he says, Germany will take it in raw material, as follows:

"England will have to deliver us tin and wool and among her colonies Canada will have to supply us with copper, nickel, cobalt and leather; Australia with zinc, ore, wool, frozen meats and grain; the other colonies with jute, leather, furs, oils, rubber, rice, tea, cocoa etc.; South Africa with gold; Egypt (if under British rule) with cotton; France would have to deliver olive oils, various seeds, essential oils and wines; furthermore cork and phosphates and cork from Algiers and other colonial produce; Italy would have to give us vegetables, sulphur, raw silk, hemp and oil; Russia would have to supply us with wheat, barley, flax, oil cake, leather, eggs, platinum and bismuth."

It would be interesting to see what he would have added had the United States been a belligerent at the time his pamphlet was issued.

JACKSONVILLE'S FIGHTING MEN
Jacksonville can be justly proud of the boys now wearing Uncle Sam's khaki. The boys in Company B, Fifth Infantry, I. N. G., are doing their bit for their country. There is no slacker blood in them. They were ready and eager to go when the call to leave their home city came and are conscientiously doing whatever duties called upon to perform to safeguard property and the lives of those in this state. The lads who are apt to see the first of actual conflict, who will first see action, first to under fire of the enemy guns, are those who have enlisted in the naval branch of their country's service. Jacksonville is also proud of the fact that she is represented in the volunteer enlistment rolls of the navy as well as of in the army records. These are her sons who will first have a chance to show their metal.

House beyond all expectations. Congress has passed the bill providing for selective conscription, and the most serious legislative problem connected with our entry into the war has been solved, and rightly solved. No other action would have satisfied the country; no other action would have made adequate provision for the situation that confronts us; no other action would have been in accord with the judgment of military experts of this nation and of all nations. The defeat of the volunteer plan puts an end, we may hope, to the volunteer system for all time, says the St. Louis Globe-Democrat. It has ever been an unstable, unsatisfactory and uncertain reliance. The glory of America has been written large upon the pages of history by the deeds of her volunteers. No one would wish to lessen that glory by a single line, but every war we have had has proven that the volunteer system entails a tremendous and utterly useless sacrifice of life in the best and the bravest of our youths, and prolongs the struggle for victory if it does not cause defeat.

It so happens that in the present situation we may take sufficient time to train our men thoroughly before we enter into actual warfare on land, and volunteer forces would not suffer from lack of preparation as they have always done in the past. But it is none the less true that if we had relied upon our old methods it would have been our choicest men who would have borne the brunt of the fight and have been sacrificed, while millions having the same obligations, the same duty and the same physical fitness remained comfortably and safely at home. The volunteer system however heroic was always costly and always unfair. The compulsory system puts all men upon an equal basis and that is the fundamental principle of democracy, whether it applies to rights or to obligations. By conscription we can put a large army into training without delay and it will be based upon equality of responsibility. It will embrace all men of proper age who are physically fit and who are not for one reason or another exempted by the provisions of the law. We shall learn from this experience not only the value but the necessity of universal training. We shall learn that only in this way may we make sure of a fighting force adequate to any need and ready for any service. We shall learn that by this amalgamation of American youth a new spirit of devotion will be created, a new interest in the government awakened, a new feeling of social democracy and blood brotherhood promoted, that will make a new and a greater America, a nation no longer of separate and often antagonistic races and interests, but a real union, "a union of hearts and a union of hands," a union of inspirations and aspirations for a common welfare.

STORY OF THE HIGH HEEL
A story's told of olden time, that women walked around, And where their husbands should not be, 'twas there they husbands found. The question did perplex the men, how they might keep within. The women whilst they went abroad and pleasures had—and sin. They pondered long, they puzzled so, they whispered man to man. Till one cried out "At last I know, I've hit upon a plan." Then joyfully he said, "We'll make our ladies heels so high. They can not stray far from the house no matter how they try." So they together laid their heads, and jeweled slippers made, With heels so high the men well knew the wives would be afraid. Then as higher grew the heels, the buckles cost them more, And wives staid home, but husbands went abroad just as they did before. And oh the laughs the husbands had, afar you heard the peals. Then all at once the women learned to walk upon those heels. They learned to like those heels so high, they liked them very well. And all dressed up they go about, and my, but they look swell. And they've been walking ever since, been walking to and fro. And husbands still may go from home, but use more care you know. Then for revenge, a Kir-by chance in heels has found a flaw. And asks our legislature now to regulate by law. —S. A. Hughes.

Rippling Rhymes
By **WALT MASON**

The Giant in Arms
Our Uncle Sam goes forth to scrap, and shoo the Kaiser off the map. The things for which most nations fight don't seem important in his sight. He does not lust for new domains, or yearn to leave a foe in chains. He does not load his modern guns and shoot shell hard-ware, tons on tons, because he's spoiling for fight, for peace was over his delight. Upon his breast there is a shade, as he draws forth his trusty blade, for well he knows the awful cost, lives sacrificed and treasure lost. So there's a shade on Uncle's brow; but if he waged no warfare now, the good old flag that we adore would be a jest on every shore. Americans now on the earth, Americans of future birth, would blush to own their country's name, and sink beneath her eagle's fame. All useless is the flag that lies dishonored in a people's eyes; and if we loved our peace so much no insults, injuries, could touch our hearts and stir them up to wrath, the flag is but a strip of cloth. So Uncle Sam goes forth to war, and knows just what he's fighting for; the honor he has always prized, and all things good and civilized.

PARTICULAR INTEREST ATTACHES TO CONFERENCE
President Wilson and Rene Viviani Confer at White House
Generally Assumed that French View that American Forces Be Sent to the Battle Front Soon was Presented to Executive—View Conflicts With That of General Staff
Washington, April 30.—With the judgment of the French war mission and the American general staff seemingly in conflict as to when American troops should be sent to France, particular interest attached to a conference at the white house today between President Wilson and Rene Viviani head of the French mission. Decision rests with the president as commander-in-chief of the United States army. It was generally assumed that the views of the French officials, disclosed in Marshal Joffre's statement yesterday advising that American forces be sent to the battle front soon, were formally presented to Mr. Wilson during the conference.

Give Out No Information
No information as to that discussion was given out however, and no administration official would comment on the statement of the Great French soldier. "Upon that subject, I have no comment to make," was the reply with which Secretary Baker met questioners. There is no question, however, that the general staff disapproves any suggestion that American forces be sent abroad until they are fully trained and equipped with the exception of final touches to be given behind the battle lines. So far as volunteers are concerned there has been no indication that the administration would favor the proposal that a separate provisional volunteer army be raised for early service in France. The administration measure did not include any such provision, altho the request of Colonel Roosevelt to organize a division for immediate duty abroad was on file at the war department when the bill was framed.

Wanted for Moral Effect
Stripped of all military pros and cons, the proposal made by Marshal Joffre and apparently supported by all members of the French commission, is understood here as providing that a small force of American troops, possibly a division numbering from 18,000 to 25,000 men, be sent at the earliest possible moment to French soil for the sentimental effect its presence would have both upon the French and the Germans. Admittedly no American force that will be available for months could greatly influence the military situation by force of arms and so virtually the only effect would be the moral influence on the minds of the French people on the one hand, and the German soldiers on the other.

On the other hand stands the often repeated military precept of the general staff that no man can be considered fit for even defensive warfare until he has had more than one year of intensive training, for offensive operations the staff has held with the military experts of other nations that two full years of discipline would be required. Since it is the psychological effect that is sought, troops with no more training than the border hardened National Guard units would serve the purpose in the French view. French officers believe that with brief additional training within sound of the guns at the front—such men could be made ready to take their places by the sides of the veteran French and British regiments.

Would Affect Training Plans
In reaching a decision President Wilson probably would turn first to his own military advisers, the general staff. He must determine which troops are to go, if any, and it seems likely the staff would not approve the sending of any but the disciplined, seasoned forces of the regular army. One factor in the decision is found to be the question of the effect on the army building plans. There are possibly 40,000 fully trained soldiers of the regular army, the remainder being men who have enlisted within the last few months. An American army division of infantry at war strength would take 22,000 men from that total. It has been estimated that thirteen divisions of the new conscript army could be trained by a single division of regulars and that the whole scheme of developing an army of two million trained men within two years would have to be curtailed if any regulars were sent abroad.

MAY NOT AFFECT FIELD MEET
Peoria, Apr. 30.—If schools in the Little Nineteen conference vote to discontinue athletics until after the war, it may not affect the annual Illinois intercollegiate track and field meet scheduled to be held here May 25 and 26. Entry blanks for the meet were sent out today by F. C. Brown, president of the state association, and any action the coaches may take, will likely not effect the annual games.

URGES FOOD CONSERVATION
Chicago, April 30.—Dr. John Dill Robertson, city health commissioner, today appealed to Chicago housewives to conserve much foodstuff now wasted, as garbage. The daily waste accumulation of the city, he estimated, is about 1,250,000 pounds of food, one-half of which can be used.

THIS DATE IN HISTORY
May 1, 1844.—Spoon River Navigation. Flatboats loaded with about 210 tons of pork and bacon left Ellisville, in the territory of Fulton County, and passed safely down Spoon River into the Illinois. These boats were upward of 70 feet in length, 17 in breadth, and belonged to Isaac Sawyer, Jr., an enterprising citizen of Ellisville.

A Personal Bank
Everyone should have a Personal Bank for his private business.
You may be wishing to start a Savings Account.

WILL SEND PETROGRAD GARRISON TO FRONT
PETROGRAD, April 30.—Via London—The council of soldiers and workmen's delegates today decided that in view of the necessity of providing formations for the army operating against the central powers, the Petrograd garrison, hitherto held in the capital by order of the provisional government to be in readiness to provide against any revolution will be sent to the front. A new general alliance of military and naval officers has been constituted in Petrograd with the aim of assisting in organization of the army.

TO HOLD OUTDOOR CHAMPIONSHIP MEET
CHICAGO, April 30.—Altho practically all the teams will be seriously weakened thru the enlistment of athletes for military service, officials of the Western Intercollegiate conference decided, tonight to hold the outdoor championship meet here June 9. There had been reports that the conference, following the action taken by the eastern universities would cancel the meet. Three of the nine universities in the conference, however probably will not be represented. Iowa has definitely decided not to enter a team and Minnesota and Wisconsin are considered doubtful.

THREE ESCAPE FROM MACON COUNTY JAIL
DECATUR, Ill., Apr. 30.—Three prisoners escaped from the Macon county jail here today. A confederate on the outside broke a hole thru the brick wall with a crow bar. Leo Huch of East St. Louis and Elmer Donaldson of Decatur, charged with theft and Charles O'Neil, colored, of Memphis, Tenn., charged with attempted criminal assault got away. Police in all neighboring cities were notified. The Macon county jail was recently condemned by the state charities commission as being unfit for use.

MANY CHICAGOANS TO MOVE
Chicago, April 30.—Despite unsettled conditions as a result of the war, Chicago's May 1 moving day bids fair to be the largest in the history of the city, according to officials of local transfer companies. It was estimated that more than 30,000 families will change their places of residence within the month.

Rev. L. O. Layman, field secretary for Eureka college was in the city yesterday on his way from Litchberry where he spoke Sunday, to Pittsfield. The gentleman was at one time a pastor in Chandlerville and had a pleasant visit with his old time friend and neighbor, Ebenezer Spink.

F. E. STRANG'S CONDITION IS CRITICAL

White Hall Man Who Suffered Stroke of Paralysis Shows No Improvement—Big Rainfall in Greene County—Physicians Volunteer for Medical Corps.

White Hall, April 30.—F. E. Strang, who suffered a stroke of paralysis Saturday afternoon about 3 o'clock, is at the point of death, and the attending physician states that he probably would not survive the night.

There has been 1.95 inches of rainfall at White Hall since the beginning of the rainy spell last Friday, and it was still raining at the close of the report at 6 o'clock Monday evening. The average rainfall for April at White Hall is 7.22 inches and for the month of April just closed the total rainfall is 4.44 inches according to the monthly summary of R. B. Pearce, co-operative observer. The greatest fall in 24 hours was 1.25 inches on the 27th. The mean temperature for the month was 51.7 degrees, the mean maximum being 63.2 and the mean minimum 40.3. The highest was 86 degrees on the 18th and the lowest 27 on the 14th. The cold and rainy close of the month retarded vegetation. The condition of winter wheat in this section is now placed at fifty per cent. Corn sowing has already begun. Potatoes are to be a leading vegetable crop and the planting of truck garden is apace with the general trend.

Mrs. Edward C. Pearce and Miss Bird Duncan are attending the sessions of the Illinois Music Teachers' Association in Decatur this week.

Mrs. Henry Brown is at the point of death.

Advice from La Salle, Ill., gives no hope for the recovery of Mrs. L. O. Carr, aged 78 years, an old former resident of White Hall, who has been making her home with her daughter, Mrs. J. H. Cox. She is the widow of William Carr, once well known as a wagon manufacturer at White Hall under the firm name of Carr & Higbee, and he has been dead for over thirty years.

Notice has been received by Postmaster Wyatt that the effect that no more applications will be entertained for volunteer service in the army or navy. The new order is to make ready for the operation of the conscription act. An army representative was to have been here Sunday to examine a number of physicians for reserve medical service, but it is thought that the new order of things caused a postponement of his arrival. Physicians have offered their services are H. C. Campbell and L. O. French of White Hall, H. W. Smith of Roodhouse and Howard Burns of Carrollton.

Lieut. Clarence Bradburn, son of Mr. and Mrs. D. N. Bradburn, spent several days here last week, departing Sunday on his return to Fort Bliss at El Paso, Texas. Bradburn is first lieutenant of the Eighth U. S. artillery, and was out on leave because of illness in his family who are located in the east.

SOCIAL ACTIVITIES

Gave Dancing Party
At Country Home.

A surprise dance was given recently at the home of Mr. and Mrs. H. H. Degroot of Chapin, in honor of the birthday of their daughter, Miss Nelle Degroot. The evening was spent in a very enjoyable manner with music and dancing and delicious refreshments were served. The guest of honor was the recipient of a number of beautiful gifts, including a gold ring and a lavallier. Those present were Mr. and Mrs. C. M. Beaudry and children, Mr. and Mrs. Otis Johnson and family, Mr. and Mrs. Branch Wade and daughter, Mr. and Mrs. Elmer Johnson, Mr. and Mrs. Oliver Lewis, Mr. and Mrs. Elmer Griffin and children, Mr. and Mrs. William Vaniter and children, Mr. and Mrs. Leo Cott, Mrs. Ollie McDaniel, Mr. and Mrs. Otto Wade, Mr. and Mrs. Charles Sullens, Hobart Dixon, Miss Jennie Dixon of Oakland, Sherman McDaniel, Henry Mattis and sisters, Misses Blanche and Cletta of Chapin, Joseph Degroot and William Hoppers of Virginia, Miss Tena Degroot of Springfield, Jerry and William Degroot and Miss Theo Degroot of Chapin, John and Mary Daniels and Miss Grace Daniels of Arcadia, Misses Jessie Ishmal, Beulah Johnson, Omer McDaniel, Bernice Cott, Ursey and Amiel McDaniel, Frank Wade, Arthur McDaniel, Joseph Hagan, Lee Berry, Kelly Grady and Loren Parker.

Entertained For Daughter.

Miss Tena Degroot, who has recently been at St. John's hospital in Springfield, was entertained Sunday at the home of her parents, Mr. and Mrs. H. H. Degroot in Chapin. The hours were spent in a pleasant social way and light refreshments were served. Among the guests were Misses Nelle Degroot, Blanche and Cletta Mattis, Bernice Cott, Jennie Dixon, Messrs. Joseph Degroot,

After a picnic supper was enjoyed a brief business session was held with Miss Dorothy Magill acting as secretary pro tem. The devotionals were led by Miss Mabel Rayle.

RESIGNS BECAUSE OF THOMPSON'S ATTITUDE

CHICAGO, April 30.—Major John Clinin of the First Illinois Infantry has resigned his position as assistant corporation counsel of the City of Chicago because of the attitude Mayor Thompson has taken on the question of inviting the allies' commission to Chicago. It became known today that Major Clinin last Friday mailed a letter to the mayor in which he severely criticized the city's chief executive for his alleged "lack of patriotism" and added he could no longer serve under a mayor who had refused to extend an official invitation to the allies' commission to visit Chicago.

SUGGESTS COUNCIL TO FEED ALL DEPENDENTS

CHICAGO, April 30.—Miss Jane Addams in an address today before the Chicago woman's club on patriotism and pacifists declared that the United States should not allow the women and children of any nation to starve and suggested the creation of an international council to sit at Athens and have charge of feeding all dependent populations until the end of the war.

She also declared it was still the duty of this country to work for an "international political organization to enable nations to obtain without war those high ends which they now seek to obtain on the battle fields."

OREGON SUFFERING WIDESPREAD SHORTAGE

PORTLAND, Ore., April 30.—Oregon is suffering a wide-spread shortage of wheat, grain, cattle, hay and labor, according to a report compiled by fourteen county agents of the Oregon Agricultural college made public today. The report says there will be a great demand for farm help during harvest time in eastern Oregon. Several towns are preparing to close all stores five days a week so all available men and boys can work in the fields.

DISCUSSES ENTRY OF UNITED STATES IN WAR

Harden Warns Germans Action Must Be Taken Seriously

German Enfant Terrible Publishes Daringly Frank Article Exposing to German Readers the "Shams, Pretenses and Mistakes" of Their Government's Policy.

Copenhagen, April 30.—Via London.—Maximilian Harden, the German enfant terrible, publishes in the latest issue of *Dizurkefelt* an other daringly frank article exposing to German readers the "shams, pretenses and mistakes" of their government's policy.

The article is devoted to the entry of the United States into the war, which Herr Harden warns the people must be taken most seriously both from the moral side as a symptom of the weakness of Germany's appeal to the neutral world and the failure of her foreign policy and because of the physical aspects of the weight of America will ultimately be able to throw into the scale. In the article he declares with a daring to which probably no other German publicist is equal that Germany's peace overtures were put forward only as a bridge over which Germany could pass to relentless submarine warfare.

Consistent with his earlier attitude Herr Harden has only words of high praise for President Wilson and his policy.

Another article by Herr Harden culminates in an appeal to Germany to put the interior of her house in

order and introduce democratic conditions which the writer says is the only sure basis for future peace.

Scarcely less noteworthy than his scathing criticism of German diplomacy (but not that of Count Von Bernstorff, former ambassador to the United States, whose work he praises) is Herr Harden's justification to German readers of America's attitude during the war.

The United States, Herr Harden declares, could have continued to amass unmeasured riches, not from munition contracts, from which only a minute part of its income was derived, but as a world's source of supply. Instead, he adds, the United States chose for an ideal to reject a continuance of its profitable neutrality to load itself with a burden of expenditures, which no other country could safely bear.

Those who would profit, Harden tells his readers can be sought nearer home, in the ranks of those wanting to retain Belgium, the Brey Iron district, Courland and Livonia.

OFFICIALS RELEASE

KATHERINE KOLB

NEW YORK, April 30.—Immigration officials today released Katherine Kolb, former wife of Prince William Radziwill, who was detained at Ellis Island on her arrival here last night aboard a Norwegian steamship. A special board of inquiry decided there was no reason why the former princess should not be permitted to enter the country. Asked why the woman had been detained, Frederick C. Howe, immigration commissioner merely said: "It might have been a case of mistaken identity."

START CAMPAIGN TO SAVE POTATOES

CHICAGO, April 30.—A country-wide campaign for the saving of all available potatoes for planting tomorrow will be started tomorrow by the Hamilton Club of this city. Clubs, hotels, restaurants, the press, boards of trade, business, civic and patriotic organizations will be appealed to for assistance in what is pronounced a patriotic duty on the part of all. Individuals are urged to air for the same reason.

The Hamilton Club it is said, has cut potatoes from its menu from now on until the end of the planting season.

SHOW UNUSUAL INTEREST IN WELCH-KILBANE BOUT

NEW YORK, April 30.—Unusual interest is being shown by followers of boxing in the 10-round bout to be fought here tomorrow night between Freddie Welsh, light-weight champion and Johnny Kilbane, holder of the featherweight title.

Under the state rules no official decision can be rendered by Referee Charlie White. The winner is likely to be decided by the acclaim of spectators, based upon the showing made during the contest. Welsh will enter at about 125 pounds, which will give the light-weight champion an advantage of five or six pounds over his opponent.

BUTTER AND EGGS PLENTYFUL
Chicago, April 30.—Butter and eggs will be plentiful and comparatively cheap this summer, if the United States government will stop speculation, according to Frank M. Coughlan, member of a large New York butter, egg and cheese company. Mr. Coughlan has just returned from the Pacific Coast states, where he says there is a large surplus of butter and eggs.

HISTORY OF MEDICINE

The Morgan County Medical Society Will Be Fifty Years Old In May.

Anyone who has information about any of the early doctors of this county, or of any Medical Meetings or Societies prior to 1866, will confer a favor by sending it to Dr. Walter Frank, secretary of the Morgan County Medical Society, 240 Ayers Bank Building, and it will be edited for this column.

Some time in April, 1876, the Jacksonville Journal published a list of all the practicing physicians in Morgan county who "intend to comply with the requirements of the State Board of Health." The new registration and licensure law had just become effective. The following data is taken from the Journal's list:

Presuming that by this time all the practicing physicians of the county intend to comply with the requirements of the state board of health, have done so, we present our readers with a complete list. These are the only ones that are legally entitled to practice in Morgan county. All others are liable to prosecution and fine for failure to comply with the state laws.

Joseph R. Askew, philosophical, Jacksonville, age 58, native of North Carolina, 26 years in practice; diploma from medical department University of Pennsylvania.

Peter L. Brown, regular, Jacksonville, age 35, native of Michigan, 13 years in practice; University of Michigan and Keokuk Medical college.

W. H. Burgess, regular, Bethel; Missouri Medical college.

Charles G. Brown, regular, Jacksonville, age 29, native of Illinois, two years in practice; Long Island Col. Hosp., Brooklyn.

G. V. Black, regular, Jacksonville, age 41, native of Illinois; State Board of Health certificate 1878.

Henry F. Carriel, regular, Central Hospital for Insane, age 47, native of New Hampshire, 20 years in practice.

Wm. C. Cole, regular, Lynnville, age 33, native of U. S., five years in practice.

Edward Duncan, dental, Jacksonville, age 38, native of Pennsylvania, five years in practice; Maryland Dental college.

David Elder, Scottville, Macoupin county, 25 years in practice.

Clinton Fisher, regular, Jacksonville, age 47, native of Ohio, 24 years in practice; College of Phys. and Surg., Keokuk.

L. A. Frost, regular, Jacksonville, age 35, native of New Hampshire, 3 years in practice; Detroit Medical college.

H. A. Gilman, regular, Jacksonville, age 32, native of New Hampshire, 11 years in practice; Dartmouth Medical college.

James H. Hill, regular, Franklin, age 53, native of Kentucky, 27 years in practice.

Milton A. Halstead, homeopathic, Jacksonville, age 39, native of Michigan, 17 years in practice; Cleveland Homeopathic Medical college.

E. H. Hamill, regular, Jacksonville, age 30, native of Alabama, 10 years in practice; Medical Department New York University.

MATRIMONIAL

Stringam-Tivnen.

Ralph R. Stringam and Miss Margaret Katherine Tivnen, were married Monday afternoon at 3 o'clock at the home of Mrs. N. C. Stringam, mother of the groom, 142 Chestnut street. The service was said by the Rev. M. L. Pontius, who made use of the impressive ring ceremony when he spoke the words which united the lives of the two. Relatives and a few close friends of the couple were present and after the ceremony was completed and words of congratulation had been uttered, enjoyable refreshments were served.

The bride was attired in a gown of Bulgarian blue crepe de chine, trimmed in georgette crepe of the same hue. Spring flowers were used in decoration. Among the guests were Mr. and Mrs. H. W. Kinnett and children of Mercedes, Mr. and Mrs. J. C. Haynes and children of Peoria, Mr. and Mrs. A. E. Douthett, age, Beardstown, Mr. and Mrs. C. M. Stringam, Beardstown.

The bride is the daughter of Mr. and Mrs. Thomas Tivnen and has always made Jacksonville her home. She has by her womanly charm and unaffected grace won a place of high regard in the hearts of all who know her. That her wedded life may be a happy one is the wish of countless friends.

Mr. Stringam was reared in this city and the place he occupies in the popular esteem may well be judged by the many friends which he possesses. He is well deserving of each word of well wishing given him. Mr. Stringam has for the past eleven years been pressman for the Jacksonville Journal Co., and is one of the paper's valued employees.

Mr. and Mrs. Stringam will continue to make this city their home, residing at the residence of the former, 142 Chestnut street.

SOCIAL EVENTS

"Donation Party" Cast Have Indoor Picnic

The cast of character of "The Donation Party" the play recently given at Central Christian church under C. E. auspices enjoyed a pleasant indoor picnic Monday evening in the church parlors, thru the hospitality of Miss Eleanor Thompson, who took a leading part in the play. Miss Thompson had planned to hold the picnic at the park and the cold weather changed this, the event could hardly have been more enjoyable. The supper, served in true picnic style, was thoroughly enjoyed by each of the twenty-two guests. Afterward several brief talks were made, including remarks by the epastor of the church, Rev. J. L. Pontius, and Miss Cora Graham, who directed the play. The social hour which followed the luncheon brought the evening to a happy close.

PATRIOTISM AT HARVARD.

Morrison Worthington, this year a student at Harvard university law school, has twice sought to enlist in the officers' corps but has been rejected because of his height and weight are not in the required relationship. Mention has previously been made that Edward Bullard, also a student at Harvard, has been accepted for service and Forrest Seifkin, another Illinois college man, has enlisted in the aviation service. A letter from Mr. Worthington to his parents, Mr. and Mrs. Thomas Worthington, indicates that patriotism is rife at Harvard and enlistments have been very numerous.

BIRTH RECORD.

Born, to Mr. and Mrs. G. L. Riggs, 746 East College avenue, Sunday, a son, Clarence George Riggs.

WORLD ORGANIZE INDIAN CALVARY.

Washington, April 30.—Representative Kahn of California introduced a bill authorizing the organization of ten or twelve regiments of Indian cavalry to be designated the North American Indian Cavalry. Mr. Kahn said his idea was that they be used on Mexican border.

PRESIDENT AND BALFOUR DINE INFORMALLY

WASHINGTON, April 30.—Arthur James Balfour, Great Britain's foreign secretary, dined informally with President Wilson at the White House tonight and afterward the two statesmen had their first intimate talk since they met a week ago.

Tonight's meeting marked a half-way point in the negotiations with the British commission. It came at the conclusion of eight days of investigation and statements and at the beginning of formal conferences to work out definite understandings. As a result, both President Wilson and Mr. Balfour were able to speak with detailed knowledge of the position and desires of the others and lay the ground for the major decisions to be worked out later.

TO PROBE THOMPSON'S ACTION FURTHER

CHICAGO, April 30.—The action of Mayor William Hale Thompson in declining to extend an invitation to the British and French missions now in Washington to visit Chicago, is to be the subject of further inquiry by the federal authorities today according to Joseph H. Fleming, assistant United States attorney.

A number of leading business and professional men who have been members of an advisory committee appointed by the mayor soon after he took office have announced their withdrawal from the committee, giving as the reason their disapproval of his course in regard to the invitation to the distinguished foreigners.

After the mayor decided that he would be "presuming" considerably to take the position that all of the people of Chicago are in favor of the invitation, the city council by unanimous vote invited members of the two missions to visit this city.

FRENCH MISSION BEGINS DETAILED CONFERENCE

WASHINGTON, April 30.—Preliminary exchanges of views having been completed, members of France's war mission and representatives of the United States today began detailed conferences to solve the infinite number of difficult problems related to American co-operation in the war. All day long conferences were held.

RAISE HARD COAL 25 CENTS.

New York, April 30.—An advance of 25 cents a ton over the April circular prices of coal was announced here today by the Lehigh Valley Coal Sales company as a result of the increase granted the anthracite coal workers by the coal operators.

NAMES DEFENSE COUNCIL.

Pierre, S. D., April 30.—Governor Norbeck has appointed a state council of defense to have charge of all activities of food conservation and other matters in relation to war measures in South Dakota.

necessities of life thru a federal commission. The senate agriculture committee continued hearings on food legislation.

FIND BODIES IN WATER FILLED SHAFT

DUBUQUE, Ia., April 30.—The bodies of Mrs. H. C. Campbell and her 18 months old child were found in a water filled mine shaft today at Benton, Wis., twenty miles east of here. The two had been absent from their home three weeks, but were understood to have been visiting relatives in either Kansas City or Sparta, Wis. Mrs. Campbell's husband, an ore hauler who left for Dubuque last Saturday had not returned to Benton today. It is not yet known if the deaths were accidental.

REPORT GREEK KING WILL ABDICATE

London, April 30.—The report that King Constantine of Greece is soon to abdicate is reiterated in a dispatch from Rome to the Star, which says it has been confirmed from neutral diplomatic sources. It is suggested that the king and queen may land at an Italian port and proceed overland to Denmark.

ESTIMATE POTATO HARVEST

New York, April 30.—This year's harvest of Long Island potatoes will be 5,000,000 bushels, it is estimated by officers of the Long Island Food Reserve battalion, in consequence of an increased acreage of about 50 per cent. More than 30,000 acres will be planted and several thousand school boys have volunteered to assist in the work.

AVALANCHE OVERWHELMS TRAIN

Davos, Switzerland, via Paris Apr. 30.—An avalanche has overwhelmed a train running from Landguard to Davos. Many lives have been lost, eight bodies having been recovered so far.

PLANS TO USE SHIPS

Manilla, Philippines, April 30.—The government is making plans to utilize the German steamships seized in the Philippines to relieve the insular trade congestion. The North German Lloyd steamer Mark is almost ready to be put into commission and the work of repairing the others is proceeding.

CHILD WELFARE WORK BEGUN IN EARNEST

Clinic Will Be Held Each Afternoon in City Council Chamber — Miss Kurtz of Chicago Speaker at Jefferson School.

Unfavorable weather Monday did not seem to hinder and child welfare work had an auspicious beginning. Preparation of the city council chamber as a headquarters for the week was completed and after school hours Monday afternoon the first meeting of a series was held at Jefferson school building. A feature was the excellent address by Miss Alice Kurtz of Chicago, a member of the Illinois society for the prevention of blindness. "It is a sad fact that there are in the United States ten thousand cases of blindness which might easily have been prevented," said Miss Kurtz.

After the program by children of the school and the address by Miss Kurtz a social hour prevailed and refreshments were served. The program for the week will take place as already announced.

This evening at 8 o'clock Miss Coale will speak at the Salvation army.

At the meeting Monday Mrs. W. D. Doying presided and spoke earnestly for the cause of child welfare and uttered words that should be remembered by all. She said it was the imperative duty of all mothers and those who have anything to do with the rearing of children to see to it that the little ones have the most intellectual care possible. This week all children between one and six years of age will be examined free of charge and all parents should avail themselves of the opportunity as there will be no charge for services of the experts. This is a national affair and should have all the co-operation the people can give it. It is important that the children do not grow up deficient but strong and healthy able to assume the cares and duties which will inevitably be thrust upon them.

The hours for examination will be from 2 to 4 each afternoon at the city hall and each child examined will receive a souvenir. There will be a good assortment of literature there for free distribution and mothers are invited to take and read it. A play prepared by Misses Cobb English and Shannon was beautifully rendered by the little folks of Jefferson school. Miss Cobb explained that there had been some misunderstanding or change in dates so that an affair on which they had expected to work two weeks had been prepared in three days.

It was an allegorical story in which a young mother is visited by the spirits of Love, Purity, Knowledge, Fresh Air, Nourishment and Sleep; opposed by a witch representing illness. The mother listens to the good spirits and the witch pleads in vain for admission to the household and declares she will try somewhere else. The children all did remarkably well. The cast:

Mother—Dorothy Roberts.
Spirit of Love—Bernice Bartlett.
Spirit of Knowledge—Margaret Baptist.
Spirit of French Air—France Kaule.
Spirit of Purity—Bernice Hutche.
Spirit of Nourishment—Patricia Spieth.
Spirit of Sleep—Hazel Yeck.
Witch, Illness—Hazel Fuller.

Causes of Blindness.

Blindness is generally caused by a germ and these come from various sources. A great many come from neglect or ignorance or the correct manner of treating newborn infants. Let it be known that there is a law which requires doctor and midwives to be capable in this direction. There is a solution which can practically always be used to advantage in the eyes of a newly born child an dthai solution the state furnishes free of charge to all doctor and midwives. It costs but a coin a drop and its use will many times prevent loss of eyesight.

A state law requires all cases of sore eyes or doubtful looking eye in newly born children to be reported within six hours to the board of health or a competent oculist. The best plan in such a case is to take mother and child to a hospital where intelligent treatment may be given. Any inflammation of the eyes swelling or other abnormal appearance should have immediate attention. It is possible for a tender child to become blind in two days; hence the need of immediate treatment.

A blind person, on an average costs ten thousand dollars for maintenance and the state many more so we can see the economic reason for preventing blindness though that is the least. A baby's eyes may be come infected during its earlier years even if it escapes trouble at birth so that constant vigilance is wise.

S. W. Nichols told of pathetic scenes he had witnessed in foreign countries, especially Egypt, where there is a superstition which keeps mothers from carrying flies away from the babies' faces. In China thousands of sightless infants are killed. Spain and Mexico are very deficient in the matter of care for infants and many cases of blindness result.

FIND GEORGE TIER NOT GUILTY OF MURDER

GALVESTON, Texas, April 30.—An instructed verdict of not guilty was given in the district court today in the case of the state against George Tier, accused of murder in connection with the death of William Black an anti-Catholic lecturer at Marshall, Texas in February 1915. This is the last of the so called "Father" Black cases which were transferred to Galveston two years ago.

Earlier in the month a similar case against George Ryan was dismissed on motion of the state but the defense appealed from this decision stating it wanted a trial and verdict.

John Copeland also one of the defendants was acquitted several months ago.

JACKSONVILLE WOMAN TO ATTEND FEDERATION

Delegates from Here Will Enjoy Full Program of Two Days Next Week in Havana.

Not only women from Jacksonville but club representatives from all parts of the county will assemble in Havana Thursday and Friday, May 10 and 11, to attend the annual convention of Twentieth District Federation of Women's clubs. An excellent program has been prepared and Havana women have spared no effort in preparing for the arrival of their guests. Visiting club women will be welcomed to the homes of Havana residents and meals will be served for a nominal sum in the dining room of the M. E. church, the building in which the regular sessions will be held.

Following is the general committee in charge of preparations for the federation meeting.

Hostess and information, Mrs. J. M. Entwistle; decorations, Mrs. P. D. Dieffenbacher; trains, Mrs. Robert E. Terhune; registration, Dr. Emma C. Fager; meals, Mrs. Edward Wilson; rest room, Mrs. H. T. Brumby; ushers, Miss Edith Biggs; music, Mrs. Urla Rotger Brumby; art exhibit, Mrs. Benjamin L. McFadden; finance and program, Mrs. W. A. Steele; reception, Mrs. Mary Tinkham; house, Mrs. Charles Stubbs; city decoration, in charge of the Havana Commercial association; pianist, Miss Hilda Reichel.

Following is the convention program:

Tuesday Morning, M. E. Church.
10:00—Arrival and assignment of delegates. All delegates will register at the First M. E. church, and then go located in the homes where they will be during their stay here.

11:00—Class in Parliamentary Law, Mrs. George W. Plummer, of Chicago.

Thursday Afternoon, M. E. Church.
1:15—Music, "Illinois," setting by Walter Howe ones; meeting called to order by the president, Mrs. Edgar D. Glandon of Pittsburg; invocation, Rev. W. D. McIntosh; address of welcome, Mrs. Guy R. Williams, resident U. & H. club; greetings, by P. J. List, president Havana Commercial association; response, M. Edgar D. Glandon; appointment of committees; music by Imperial Quartet; "Club Ethics," Mrs. George W. Plummer, director from Illinois to the general federation; vocal music, our Russia folk songs by Rimsky Koskov, by Mrs. Mabel Morrill; "Public Health," by Miss Louise Walther, executive secretary for the Oak ark Associated Charities; piano solo, Mrs. Modelle Westermann; vocal solo, (a) "Beloved, It is I," (b) "The Charm of Spring," (c) "The American Woman of today," Hon. M. T. Dougherty, Galesburg, member of the Illinois Centennial commission; vocal solo, "The Awakening" (Spross), Miss Mabel Anno.

Friday Afternoon, Lawford Theater
"The Camp Fire Girl," Mrs. A. P. Tucker; demonstration of a ceremonial meeting of Kickapoo camp No. 1 Camp Fire Girls, Mrs. A. P. Tucker, captain, Mrs. Mabel Morrill, lieutenant.

"The Origin, Aims and Purpose of the Boy Scouts of America," and demonstration of their work and lay by Troop No. 3, Havana. Pather, E. G. Wilson, scoutmaster; Sherman Hoyt, assistant scoutmaster.

Thursday Evening, Lawford Theater

8:00—Concert by the Peoria Symphony orchestra, Mrs. Urla Rotger, running, soloist; reception at the Riverside club.
Friday Morning, the M. E. Church.
8:30—Organ, Mrs. Modelle Westermann Anno; art exhibition, collection of Solar Prints loaned by Lor-to Taft; collection of Etchings by the Chicago Society of Etchers; short talk on the exhibit by Mrs. Josephine Chandler, Havana; vocal solo, "Fiddle and I" (Goodeve), Mrs. Eva Spink; violin solo, "The Kiss Waltz" (Ar-tis), Miss Loria Boillan; "State Activities," Mrs. Jessie L. Spafford, resident of the State Federation of Women's clubs; vocal solo, (a) "Ein chwan" (Greig), (b) "Morning star" (George Henschel), Miss Alice Borgelt; "Shall We?" Mrs. Joseph G. Grout, Winchester; piano solo, "La Polka de la Reine" (J. Laf), Miss Hilda Reichel.

Friday Afternoon.
1:30—Boat ride on the Illinois river. Folk dancing by pupils from the studio of Mrs. Mabel Northrup Morrill.

MORTUARY

Flanagan.
Mrs. Mary Flanagan, the wife of Thomas Flanagan, died Monday morning at 8:15 o'clock, at Our Savior's hospital. She had been in failing health for some time but it was about two weeks ago that removal to the hospital was deemed necessary. Mrs. Flanagan was born in County Fermanagh, Ireland, seventy-seven years ago and came to this country in 1886. Since coming to this city the deceased has been a devoted member of the Church of Our Savior. Her friends were many and the news of her passing will bring to many hearts a keen sense of loss.

Mrs. Flanagan is survived by her husband and two sons, John and Joseph Flanagan.

The funeral will be held Wednesday morning at 9 o'clock at the Church of Our Savior. Burial will be made in Calvary cemetery. Owing to illness in the family, the family the services will be private.

Walter Fernandes, north east of the city, left Monday morning for Bloomington to follow the painters trade for the Chicago & Alton Railroad Co.

TOO LATE TO CLASSIFY

FOR RENT—Furnished room in modern house Call Ill. phone 672 or residence, 516 S. Main. 5-1-tf.

A STRONG SERMON.

Sunday morning Rev. R. O. Post, D. D., delivered at the Congregational church one of the strongest sermons ever heard here. His text was from the first chapter of John, "And we beheld his glory, the glory as of the only begotten son of the Father, full of grace and truth." The discourse was a vigorous exposition of the full divinity of Christ and it was a masterly effort. The speaker emphasized the fact that it is men of conviction who make a mark in the world. Those who place the Divine Master only a little higher than the great men of the earth, Shakespeare, Milton, Bacon and others, wholly overlook the sublime principle of His life. There is a demand for cleansing with blood in every human breast and the divine compassion of the immortal Son of God was well set forth in the great sacrifice he made for the atonement of man. The historic Christ is a fact beyond dispute; the divine, saving Christ, is the One to whom all may turn for eternal life.

CONCORD CIRCUIT QUARTERLY CONFERENCE

The third quarterly conference of the M. P. Concord circuit will be held at Grace Chapel May 11th. At that time delegates to the annual conference will be chosen. The conference will meet in September but the delegates are chosen at the third meeting instead of the last so that if there is a change of ministers desired it may be known in good time.

ATTENDS HISTORICAL ASSOCIATION MEETING

Mr. Easley Moore Present at Interesting Session of Mississippi Valley Society Held in Chicago—Luncheon at Congress Hotel.

Mr. Easley Moore returned Saturday night from Chicago, where he attended the annual meeting of the Mississippi Valley Historical Association. Sessions were held in the Chicago historical building, in Newberry library and at the Congress hotel.

Thursday evening the first gathering was held in the historical building, given by the Chicago society. Friday forenoon the association met in Newberry library. Then a luncheon was given by the Chicago society at the Congress hotel. The school teachers' department met at the History Library Saturday morning.

During the year past the association has lost its valued secretary-treasurer, and founder, Clarence S. Paine, secretary of the Nebraska State Historical society. Appropriate resolutions were adopted at the business meeting, showing the esteem in which he was held.

Mrs. Paine, who had been acting secretary-treasurer since her husband's death, was elected secretary and treasurer. She will be remembered here as Miss Clara Sibley.

One of the most interesting and valuable papers presented was that of Prof. Logan Easley of Indiana University. It was entitled, "The Pioneer Aristocracy."

Mr. Easley was an acquaintance and associate of Prof. H. W. Johnston, formerly of Illinois college.

Miss Caroline M. McVestine, secretary of the Chicago Historical society was a vice chairman of the local

committee on arrangements. Miss Melvaine is a cousin of Mrs. H. D. Deloys of this city.

An automobile tour of the park system of Chicago was tendered the visiting gentlemen and their lady Saturday afternoon.

Ladies know that Summer Furs will be worn more than ever this year. A special opportunity to see a most remarkable assortment is afforded to those interested at FRANK BYRNS' Hat Store today.

CONGREGATIONAL CHURCH ADOPTS RESOLUTION

At the Congregational church Sunday morning the following resolution was unanimously adopted:

Resolved, That in view of the condition, stress and uncertainty in which this country and in fact, all the nations of the world are living; it is evident that it is of vital importance to the welfare of all, that our resources of whatsoever kind be conserved and maintained by all means possible.

Therefore, To this end, we would respectfully and earnestly urge that the manufacture and sale of intoxicating liquors be abolished through the United States.

To the President and National Congress.

The First Congregational church of Jacksonville, Ill., R. O. Post, pastor, Marion Fairbank, clerk, Evelyn F. Brown et al, trustees, B. W. Smith, Julian P. Lippincott, M. L. Weir, Charles H. Ward, W. A. Kirby, L. S. Doane.

Guest Deacons of the northwest part of the county was a city visitor yesterday.

ALBERTO SALVI HEARD IN PLEASING RECITAL

Venetian Harpist Impresses All By His Masterly Touch—Mrs. Helen Brown Read Appears to More Than Usual Advantage—Congregational Church Well Filled.

An audience which filled the auditorium of the Congregational church greeted Alberto Salvi, Harpist, and Helen Brown Read, dramatic soprano, Monday evening in a recital of surpassing excellence. Musicians are not always certain that a program of thoroughly modern music will be accepted with enthusiasm even by audiences so well informed as those which our city may boast. Yet Mr. Salvi and Mrs. Read were more than successful in giving their hearers a genuine pleasure in the music of Tschakowski, Strauss and Debussy. Such original thinkers as Edison and other high musical critics have held Debussy guilty of perpetrating upon the public a meaningless jumble of musical insanity. Yet this severe judgment may well be questioned when the interest of the audience, which heard the performance of last evening, was so heartily manifested. When the strength and the facility of expression, as exhibited by Mr. Salvi, and the rich, earnest interpretation and inspiration of Mrs. Read are given to artistic compositions, it may be expected that all the worth of the original music will be shown to fullest advantage.

The concerto by Zabel with which the program opened clearly proved that Mr. Salvi is a harpist and musician of exceptional talent. Every performer is not gifted with such strong and manly attack combined with such a light hand for the delicate passages. This ability was shown even more in the improvisation by Paganini, the Musing Chanson by Tschakowski and finally in the last three numbers, closing with the beautiful Chanson des Papillons by Weherlin. The prelude and the nocturne, original compositions by Mr. Salvi, emphasized the musicianship and ease with which he employs the powers of the harp. This wonderful instrument is fast growing in popularity and Jacksonville may congratulate itself upon an opportunity of hearing so masterly exponent of the art. Mr. Salvi is a Venetian and has recently been doing concert work with Mrs. Read.

Local people have long recognized the song power of Mrs. Read and her success in concert work and as a teacher are known far and wide. The ease she displayed in the difficult music of Debussy in French and her delicate interpretation of the songs by Harriet Ware won her great applause. As a closing encore Mr. Salvi and Mrs. Read gave America, while the audience stood and joined in the strains of the patriotic anthem.

The Program Numbers:
Concerto in D Flat Minor—A. Zabel
Improvisation—W. Paganini
Romance—Debussy
Mandoline—Debussy
Sinec vera valent des Alpes
Hahn Barcarolle (Tales of Hoffman)—Offenbach
Chanson triste—Tschakowski
Le sommeil de la Vierge—Debussy
Allerseen—Strauss
Boat Song—Harriet Ware
Wind and Lyre—Harriet Ware
Morning Wind—Brascom
Nocturne in A Flat—A. Salvi
Prelude in A Flat Minor—A. Salvi
Chanson des Papillons—Weherlin

BUYS STUDEBAKER.

R. T. Campbell sold to Anderson Brothers of Woodson a Studebaker car Monday.

SENATE MUST RE-PASS WAR ARMY MEASURE

WASHINGTON, April 30.—The army draft bill, passed Saturday by both houses of congress will be taken up again tomorrow in the senate and an effort made to clear up at once the legislative tangle which is delaying reference of the measure to conference.

It will be necessary for the senate to pass the bill again and also there is little doubt that it will go thru ultimately in the form in which the senate approved it Saturday 81 to 8. Senator La Follette and others may attempt to attach amendments. Chairman Chamberlain of the military committee secured a recess tonight until 11 o'clock tomorrow, an hour ahead of the usual meeting time and will try to put the bill thru tomorrow if possible. He made an effort to get it up today but failed because several senators declared it easily could wait a day or two.

VIVIAN IPAYS VISIT TO SAMUEL COMPERS

WASHINGTON, April 30.—Rene Vivian, vice-premier of France and head of the French war mission, paid a visit to Samuel Compers today at the American Federation of Labor and expressed confidence that American wage earners like those of France, would rally wholeheartedly to the support of democracy in its war on Prussian autocracy.

In reply, Mr. Compers, as labor's representative of the advisory commission of the National Defense Council advised the French leader that all the differences between employers and employees in this country had been put aside for co-operation in the common cause against Germany.

AVERT STRIKE OF E. ST. LOUIS CARMEN

EAST ST. LOUIS, Ill., April 30.—A strike of several hundred motor-men and conductors of the East St. Louis and Suburban Railway company was averted tonight when it was decided at a conference of representatives of the men and company officials to arbitrate the wage question and any other points on which the company and men cannot agree.

Carmen on the city lines who receive 27 cents an hour are asking an increase of 11 cents an hour. The interurban men want an increase from 25 cents to 43 cents an hour.

PAVING BIDS RECEIVED BY IMPROVEMENT BOARD

Figures Submitted for Several Different Contracts—Action Will be Taken Today.

At a meeting of the Board of Local Improvements held in the council chamber Monday afternoon bids were opened for pavings in East and West State streets, South Main street, North Church street and North Sandy, West Court and North West streets.

After receiving the bids the board adjourned until 3 o'clock this afternoon as under the commission form of government the bids must lie over before the contract is awarded. It is probable that when the board convenes this afternoon that an adjournment will be taken for one week on account of the absence from the city of City Attorney Reeve.

The bid of the Standard Paving company of Chicago was the lowest for the asphalt paving in West State street. The company's bid was \$38,124.60 for the asphalt paving for the private property and \$14,266.42 for railway company's part for which brick is specified.

John Bretz of Springfield had the low bid for the concrete block pavement in North Sandy, West Court and North West streets. His bid was \$8,156.17. Mr. Bretz was also low bidder for North Church street, his bid being \$6,687.91.

In the bids for South Main and East State streets the Interstate Paving company was low on both streets for the Tarvia. The company did not offer a bid on the paving of the Railway company's tracks which is brick paving. The company's bid for East State street was \$6,323.03 and for South Main street, \$13,885.68. The bids for the various streets are as follows:

Concrete Block Paving,
North Sandy, West Court and North West streets, des.
John Bretz, Springfield, \$8,156.17
Interstate Paving Co., Chi.
\$20 38,961.92
East State Street, Tarvia and Brick,
John Bretz, Springfield, Tarvia,
\$6,323.03; brick, \$6,274.59.
Interstate Paving Co., Chicago,
Tarvia, \$6,323.03; brick no bid.
South Main Street, Tarvia and Brick,
John Bretz, Springfield, Tarvia,
\$14,266.42; brick, \$11,085.22.
Interstate Paving Co., Chicago,
Tarvia, \$13,885.68; brick no bid.
West State Street, Asphalt and Brick,
John Bretz, Springfield, asphalt,
\$39,191.57; brick, \$14,763.84.
Standard Paving Co., Chicago,
asphalt, \$38,124.60; brick, \$14,266.42.
White Paving Co., Chicago, asphalt, \$38,385.62; brick, \$14,680.97.
North Church Street, Tarvia,
John Bretz, Springfield, \$6,687.91
Interstate Paving Co., Chicago \$6,723.38

BULLDOG FOUND FREE FROM RABIES

Animal Which Bit Lloyd Harrison Two Weeks Ago Was Not Mad—Was Kept Under Observation.

The bulldog belonging to Lawrence Mathews of Manchester and kept by Sam Boston, corner of East College and South Clay, which bit Lloyd Harrison about two weeks ago, did not have rabies. The animal was under observation for a ten days' period and during that time showed no signs of madness.

According to Dr. D. L. Harris of St. Louis, who is one of the foremost authorities in this country as to rabies, it is always of vital importance not to kill the dog immediately but to keep the animal under observation for a time. If the dog's saliva at the time of the bite contains the infective agent the dog will show unmistakable signs and die before the ten days have passed. If there is no change in the dog before that time there is no need for further worry or unnecessary expense.

The average incubation period of the disease in man is considered to be about forty days, so that this gives one ample time to have preventive measures instituted after the dog has been proven to be rabid. Dr. Harris was the guest of honor at the annual dinner of the Morcan County Medical society here several years ago and at that time gave an interesting and valuable address on rabies.

LICENSED TO MARRY.

Ralph R. Stringham, Jackson, Margaret Katherine Tiven, Jackson,ville.

William W. Parcell, Canton, Laura Blanche Grady, Vermont.

CLEANUP STARTS THIS MORNING

Commissioner Martin announced last night that the work of cleaning up in the city would start in the Second Ward this morning. He asks that all residents have their rubbish and ashes ready for the wagons when they call.

I Bart Johnson was a business visitor in Chicago Monday.

START WORK ON SHIP YARD.

New York, April 30.—Work will be started today by the Foundation company on the big ship yard on the Passaic river near Newark, N. J., at which will be built in record time the wooden ships proposed by the United States shipping board to offset the tonnage destroyed by German submarines. The vessels will be constructed under government supervision.

WILL ENTER RESERVE SYSTEM.

Washington, April 30.—Assurances have been received by the federal reserve board from scores of state banks and trust companies throughout the country that they will enter the federal reserve system upon the passage of amendments broadening the scope of the law now before congress.

WINCHESTER

Winchester, Ill., April 30.—The funeral of Charles Welch occurred Sunday afternoon at 2 o'clock at the Christian church. The auditorium and Sunday school room were filled with relatives and friends. Services were in charge of Rev. G. E. Prewitt, pastor of the church, and music was furnished by a quartet composed of Mrs. Lankford, Miss Riggs, C. S. Smith and Rev. Mr. Prewitt. Flowers were in charge of Misses Northcutt, Mullens and Norman. Burial was in Winchester cemetery. The bearers were George Wallace, John Norman, Jr., Luther Welch, Edward McCassey, Sherman Emmons and Charles Claywell.

Mr. and Mrs. Raymond Smith of Concord are visiting relatives here. The sale of household goods and tools of the late William Overton will occur at 1 o'clock Tuesday afternoon. The homestead of the late John Markkille estate was sold Monday to Giles Reeder.

The Salisbury musicians will give a matinee Thursday afternoon at 3:30 o'clock at the Lyric.

Misses Maurine Mader and Edith Watt were Jacksonville visitors Saturday.

Delmar Conklin, who is traveling with a theatrical company, arrived Sunday afternoon to visit friends and left Sunday night for Chicago.

Mrs. W. D. Hitt returned Monday from Chicago, where she attended the musical festival.

CONDEMNATION SUITS

Paul P. Thompson was in Carlinville Monday to appear in the circuit court representing certain landowners in condemnation proceedings brought by the C. B. & Q. The road is double tracking in Girard and vicinity and it is necessary to acquire a greater amount of right of way for the purpose. Mrs. E. Kingsley's farm is one of those affected by the change.

GUESTS OF PYTHIANS

Mrs. John J. Revo retained Monday night from Chicago after spending several days with Mr. Revo in a residence at Pythian gatherings in the northern part of the state. There were several grand officers and their wives in the party, and they were shown several excursions by Pythians in Joliet, Chicago and in other cities visited.

GRACE CHURCH WILL RAISE INDEBTEDNESS

At Grace M. E. church Sunday plans were made for a big financial rally next Sunday when it is planned to raise eleven thousand dollars on indebtedness, which still remains from the construction of the new building. Addresses by a number of the men of the church were made at the morning service, all favoring the plan announced of securing Dr. John Krantz of New York, an expert at such work, to take charge on the day of the rally. The work of Dr. Krantz at Centenary church was explained by E. G. Saye.

ODD FELLOWS' LODGE TO REMIT SOLDIERS' DUES

Announcement Made Monday Night at Enthusiastic Meeting of Granite Lodge No. 243—Vote Run for War Relief.

Granite Lodge No. 243, I. O. O. F., had a highly enthusiastic and patriotic meeting last evening in response to a communication from the grand lodge. The grand body has announced that the dependent families of all men volunteering or being drafted in war with Germany will be cared for and all men serving will not be called on for dues but the dues will be forgiven receipts forwarded them so they may take their places as members wherever they may be.

The local body enthusiastically obeyed the request of the grand lodge and voted fifty dollars from the treasury to be sent to the headquarters and appointed a committee consisting of Messrs. Walter W. Wright, C. D. Black, E. E. Henderson, E. M. Vasconcellos and John Schellfeld to solicit funds from members for this laudable cause.

At the close of the business session a social time followed and refreshments were served. Messrs. W. W. Wright, C. H. Weber, Robert Reid, Al Stewart and E. E. Henderson acting as the committee on that part of the program.

FAMILY WILL MOVE TO KANSAS CITY

Frank Markkille who is now with the Robert Keith Furniture company of Kansas City spent Sunday and Monday in the city visiting his mother. He went to Kansas City several months ago and is in the decorative department of the company studying the drapery art and is enthusiastic over his work and Kansas City as a place of residence. He expects to take his mother and sister, Miss Lola Markkille to Kansas City to reside when Illinois Woman's college closes.

Peoria, April.—Harry Frazee, one of the owners of the Boston Americans, who started his career here as a bell boy, thinks Boston is due to repeat in the American league race and also in the world's series.

"I don't see why we should worry," Frazee said. "Jack Barry is one of the smartest men in the game. We have the greatest pitching staff in the league and an infield and outfield that will rank with the best."

Frazee professes not to have any fear of the Chicago Americans. "The dark horse of the drive, he believes will be New York."

The Yankees looked good on paper this spring, and I think they will give every club a tough fight.

The Speaker team is running along at about a 50 to 50 break. When he hits he wins, and when he doesn't hit the enemy wins.

Corns Loosen Off With Magic "Gets-It"

2 Drops Do the Work, Painlessly.

"I tell you, before I heard of 'Gets-It' I used to try one thing after another for corns. I still had them. I used bandages and they made my

Corns Drive You Mad? Try "Gets-It" and They'll Feel Right Off!

too so big it was murder to put on my shoe. I used knives and other things that ate off more of the toe than they did the corn. I'd cut and dig with knives and scissors, but now no more fooling for me. Two drops of 'Gets-It' did all the work. It makes the corns shrink and get so loose that you can just pick it right off with your fingers."

There has been nothing new discovered for corns since "Gets-It" was born. It's the new way—the common-sense, simple, sure way. "Gets-It" is sold everywhere, 25c a bottle, or sent on receipt of price by E. Lawrence & Co., Chicago, Ill. Sold in Jacksonville, and recommended as the world's best corn remedy by Armstrong's drug store, Coover & Shreve and J. A. Obermeyer.

SLIGHT CHANGES SHOWN IN RANKS OF CLUBS

Indianapolis Still Leading After
Second Week of Play in American Assn. Pennant Race—Weather Interferes With Nine Games—Record for Week.

Louisville, Ky., April 30.—The second week of play in the American Association pennant race ended with only two changes in the ranking of the clubs. Columbus moved ahead of Minneapolis into fifth place and Louisville displaced Milwaukee from third place.

Indianapolis was still leading, although the run of eight victories piled up by the Hoosiers was broken at the beginning of the week by Toledo, which until that time had accumulated a like number of defeats.

Indianapolis was the only team in the league to complete its schedule for the week, had weather having caused nine postponements, the majority in the Western end of the circuit. Of seven games played Indianapolis won four and lost three, dropping one to Toledo and two to Columbus. One game was won from Columbus, two from Louisville and one from Minneapolis.

Kansas City still occupied second place, but played only four games during the week, as did Milwaukee, Minneapolis, St. Paul and Toledo. Of the four games played Kansas City won one from St. Paul, two from Milwaukee and dropped one to Louisville.

Louisville, with six games played during the week, came nearer completing its schedule than any other team in the league excepting only Indianapolis. Of these six games two were dropped to Indianapolis, two were won from Toledo, one from Columbus and one from Minneapolis.

Milwaukee, in fourth place, split even on the week, dropping two games to Kansas City, winning one from St. Paul and another from Minneapolis. Columbus, in fifth place, played five games, taking two from Indianapolis and losing one to Louisville, Indianapolis and Toledo.

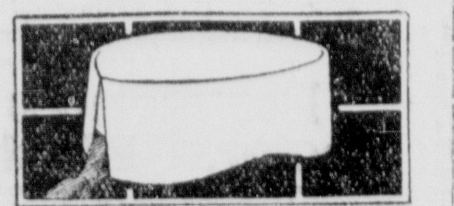

Minneapolis, in sixth place, lost all four games played during the week, two to St. Paul, one to Milwaukee and one to Indianapolis.

St. Paul won its first game of the season during the week, taking two of the four games played by the club from Minneapolis and losing one each to Milwaukee and Kansas City. Toledo, in last place, won its first two games of the season during the week, breaking a losing streak of eight games by taking a fourteen inning pitchers' battle from Indianapolis. Another game was won from Columbus and two games were dropped to Louisville.

The week's record of games played, with games won and lost, runs, hits, errors, men left on bases and runs scored by opponents, including games of Wednesday, April 25, follows:

P	W	L	R	H	E	B	O
Indianapolis	7	4	3	24	61	8	54
Kansas City	4	3	1	15	26	6	30
Louisville	6	4	2	27	55	14	42

YANKS DOWN SENATORS IN TEN INNING BATTLE

McNAMAKER SCORES WINNER
TALLY.

Ruth Pitches His Fifth Straight Victory
—Boston Beats Athletics—
—Browns Makes It Three Straight
by Winning From Cleveland.

Washington, April 30.—New York defeated Washington in ten innings today, 4 to 3. McNamaker walked in the tenth was safe at second on Gallia's wide throw of Shocker's sacrifice, took third on a double play that retired Shocker and Gilhooley and scored on high's stride.

Boston, 6; Philadelphia, 3.
Boston, April 30.—Ruth pitched his fifth straight victory, as Boston defeated Philadelphia 6 to 3 today.

During the Philadelphia batting practice with the visiting shortstop, became incensed at his teammate Elmer Myers, charging him with throwing "bean balls" and threw his bat at the pitcher. The two men were separated before any blows were struck and Myers was sent to the club house by Manager Mack.

HELP HIM TO SAVE

Every woman realizes the necessity, just at this time, of doing everything in her power to reduce the heavy drain upon her husband's income. Even with the most economical management of your household affairs it is pretty hard to lay aside a few dollars for the proverbial "rainy day." Let us help you by renewing some of your dresses, and thus eliminate or lessen your dressmaker's bills. Dry cleaning by our up-to-date method makes the old garments look new.

ENTRIES ANNOUNCED FOR BIG MEET FRIDAY

Principal Callahan Receives Lists of Contestants from Schools of Western Illinois High School League

Practically all entries are now in for the field and track meet and declamatory contest to be held in this city Friday, May 4, it was announced Monday by Principal T. W. Callahan. Entries from Ashland are not yet in and announcement has not been received from Chapin as to whether or not the invitation to replace Pittsfield, withdrawn, would be accepted. The declamatory contest will take place in the David Prince auditorium at 9:30, and the track and field meet will be held on the Illinois college field at 1 p. m.

Pupils of the high school and David Prince buildings will be dismissed all day Friday on account of the meet. Older boys in the ward schools may be dismissed at 2 o'clock to witness the athletic games if provided with tickets and permission of parents.

The meet is held under the direction of the Western Illinois High School League, and the following students are eligible under the rules of the league and of the Illinois High School association:

Jacksonville
50 yard dash—Arthur King, Homer Reynolds and Russell Hull.
100 yard dash—Homer Reynolds, Arthur King and Russell Hull.
220 yard dash—Homer Reynolds, Harold Ferguson and Arthur Green.
440 yard dash—Russell Hull, Paul Mohr and Arthur Green.
880 yard dash—Paul Mohr, Arthur Green and Harry Garvin.
1 mile run—Harry Garvin, David Smith and Paul Mohr.
220 yard low hurdles—Russell Hull and Wylder Towle.
120 yard high hurdles—Russell Hull and Wylder Towle.
Running broad jump—Homer Reynolds, Arthur King and Russell Hull.
Running high jump—Homer Reynolds and Glenville Camp.
Pole vault—Harold Ferguson.
Discus throw—Arthur King, Ray Tholen and David Smith.
Shot put—Ray Tholen, Arthur King and David Smith.
Javelin throw—John Fierke, Ray Tholen and David Smith.
Relay race—Reynolds, Ferguson, Hull, King and Green.
Declamation—Bernice Wood. Subject, "Seventeen."

White Hall
50 yard dash—E. Vandaveer, T. Vermillion and B. Johnson.
100 yard dash—E. Vandaveer, B. Johnson and T. Vermillion.

For Itching Scalp
You do not want a slow treatment for itching scalp when hair is falling and the dandruff germ is killing the hair roots. Delay means no hair. Get, at any drug store, a bottle of zemo for 25c or \$1.00 for extra large size. Use as directed for it does the work quickly. It kills the dandruff germ, nourishes the hair roots and immediately stops itching scalp. It is a pure, reliable, antiseptic liquid, is not greasy, is easy to use and will not stain. Soaps and shampoos are harmful, as they contain alkali. The best thing to use for scalp troubles is zemo, for it is safe and also inexpensive.
The E. W. Rose Co., Cleveland, O.

LITERBERRY

The Woman's American Mission Society of the Baptist church met on Friday at 1:30 p. m. with Mrs. J. M. Daniels, at Bonnie Boone cottage.

The program follows:
Song, "The World for Christ"—Mrs. Daniels, leader and pianist.
Mrs. A. C. Palmer, of Indianapolis, Ind., read Mark 14: 3-10.
Prayer by several members.

Mrs. J. E. Underbrink was called on first, and gave a brief report of the meeting of "The Central District of the Baptist Church at Peoria on Wednesday. This district includes Illinois, part of Michigan and Missouri. Mrs. Underbrink has a good memory and the gift of condensing a great deal into a short talk. Her report showed a great gain, both in members and finance in the Christian work of this denomination in the last year. Especially was she impressed with the interest in missionary work in the young people, and the Sunday schools. Children are being educated in the mission cause and enlisting in this world's work. The sister gave as a word picture of "The World Wide Guild," as they say and heard it given at Peoria by the Misses Alice Harrison and Ruth Acar, of Illinois, and Arretta Beswick of Michigan and Mabel Barley of Missouri. Then the description given us, we could almost see the four young ladies dressed in their costumes, giving their part of the morning program.

Our reporter also met Miss Strain, a returned missionary from Japan. Miss Strain in speaking of Japan says it is the land of "songless birds, odorless flowers, and tasteless fruit," but with all its very beautiful country, and a good place to work for Christ.

The Peoria meeting was also reported by Mrs. Murray who followed with a summing up, "The Story of the States, Our People on the Firing Line, and New Plans for Mission Work." Mrs. Palmer spoke to us of the "Coronation of the Ruby." She said, "The Ruby Anniversary means, 10 years of Home Mission work by the Baptist women, and the work they have undertaken is.

First, a building to be known as "The Christian Center," fully equipped and supported, to be located at Chicago.
Second, A Dormitory in Porto Rico.
Third, A memorial for Mrs. H. Moore, once the greatest worker among the colored people of the South.
Fourth, The maintenance of Christian schools in San Salvador.
Fifth, A rest fund for missionary workers who are temporarily unable for service and in need of medical treatment."

We were glad to have Mrs. Palmer with us, for she is a missionary of several years experience and could tell us many things of interest. In our Mission Circle volumes of the Mission Library have been read and passed on to others; the interest is growing, and new books will be added.

WOMEN STEADY WORKERS
It used to be said that women could not be depended upon like men to work steadily, and, consequently, ought not to expect so much pay as men employed at similar work. While it would be foolish for any young woman to stay at work when physically unfit, it is believed that most women now continue at their work as constantly as men. Any woman who is unable to do so should take Lydia E. Pinkham's Vegetable Compound, the old reliable medicine for women, and get the aid she needs to enable her to keep at work.—Adv.

Girls! Use Lemons!
Make a Bleaching, Beautifying Cream

The juice of two fresh lemons strained into a bottle containing three ounces of orchard white makes a whole quart pint of the most remarkable lemon skin beautifier at about the cost one must pay for a small jar of the ordinary cold creams. Care should be taken to strain the lemon juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, smoothen and beautifier.
Just try it! Get three ounces of orchard white at any pharmacy and two lemons from the grocer and make up a quart pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It naturally should help to soften, freshen, bleach and bring out the roses and beauty of any skin. It is simply marvelous to smoothen rough, red hands.—Adv.

Grand Opera House, May 2

**HENRY W. SAVAGE WILL OFFER
THE SEASON'S MOST NOTABLE ATTRACTION**

We Wish to Impress Upon You--

The fact that the Blue Star Four Wheel Planter has never been equalled by any planter manufactured, and to be positive that you will have a perfect stand you should investigate the merits of this wonderful tool.

Of all the many planters made none have yet brought out as simple, positive and perfect a tool.

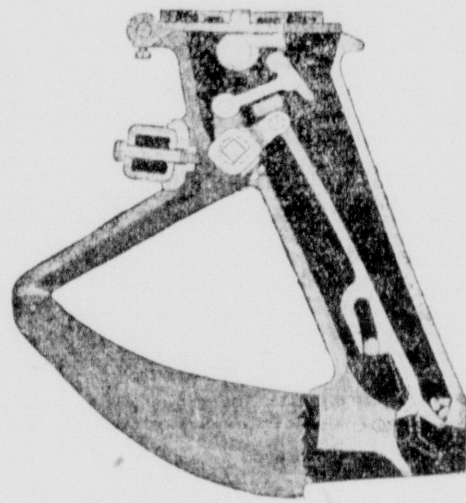

On the four wheel the runners are set back between the wheels, which insures dropping the corn within seven inches of the covering point. This arrangement insures that every kernel of

corn is planted at exactly the same depth. It is impossible for the seed to scatter which means a hill so planted that it is easy to keep down the weeds.

Light Draft - Simple Sure - Positive

Look at the cut showing all the working parts. Do you think anyone can do without this fine tool?

FARM NOTES

The Necessity of Producing An Extra Pound of Poultry Product For Every Man, Woman and Child in the United States.

(By E. E. Richards, President of the American Poultry Association.)
Before another hatching season, the great United States will, no doubt, be in the deepest throes of the world's most cruel war and no one can foretell the countless thousands that may be crying for bread. It is up to the United States, the world's greatest, richest, and most resourceful nation, to not only look after the welfare of her own citizens, but to give aid and assistance in supplying food to countless thousands of suffering humanity in the torn and stricken war zone. The great agricultural resources of America must prepare to assume this burden. Every one of us must do our bit. Every acre, every nook and corner must bear its share. It is lucky that in poultry we can produce the cheapest and most quickly produced meat of all the various sources of our meat supply. Here, we have an opportunity of producing an extra hundred million pounds if the American farmers, the fanners and breeders will give their attention to hatching during the months of May and June.

It is a well known fact that the available supply of meat products is today the lowest in our country, per capita, in the history of the United States. In order to meet the extremely dangerous condition, we have within ourselves a wonderful opportunity of aiding what may prove to be a world-wide cry for food. Let us all join enthusiastically in the propaganda of helping in the probable time of need by putting forth now every effort to meet, in a measure, the demand that is sure to come for untold quantities of food stuffs. Never in the history of the world will there be a greater demand than in the next twenty-four months that are to follow.

For the past twenty-four months we have been killing the goose that has been laying the golden egg, and with the hue and cry of costly feed, poultry and all meat products has been soaring far above all the usual estimates as to the relative cost of production and the selling price. The margin of profit on the production of eggs and poultry for meat is in excess of the percentage of profit in normal times. But aside from the question of profit, we Americans must look at the situation from a philanthropic and humanitarian standpoint and each and every one "do his bit" to meet an exigency that seems inevitable. Let us all try to be a factor in the production of an extra hundred million pounds of poultry meat which is less than one pound additional for each man, woman and child in the United States.

The United States Department of Agriculture has just issued an estimate that upwards of seven hundred millions of dollars is the annual tribute paid by Americans to the garbage can. Why not convert this into feed to produce poultry and eggs.

Every home can have a self-supporting and profitable flock in the back yard by converting the offal from the table and kitchen into the very choicest of poultry feed. Why such an astounding waste, utter extravagance that costs us nearly seven dollars for every man, woman and child in the United States? Let every one have a neat poultry house and a few well kept, profitable fowls. It is not unusual for the fanners to quit hatching with April. Let me urge that hatching be continued during the months of May and June and also during July in a large part of our country. Let the old hen do her part—fill up the incubators—keep them going thru May and June—the results will be worth while. Let us be prepared to consume every bit of table and kitchen scraps and make them a source of profit.

ASBURY

Mr. and Mrs. Harry Trotter and sons Rowland and Myron spent Sunday with relatives in Jacksonville. Mrs. George Hemmings and daughter Marie and Mrs. Carl Hemmings were Thursday guests of Mrs. William Mortimer and daughter Eva.

Miss Ruth Curtis spent Sunday with Miss Mildred Morris.

Samuel Stratton had three ribs broken when a cow crowded him against a manger Wednesday.

The W. F. M. S. will meet Wednesday afternoon with Mrs. Milford Rees.

LITTLE DANGER OF TOO MUCH PRAISE

"I simply Can't Say Enough
for Tanlac," Local
Farmer Avers

UNEQUALLED IN MERIT

Mr. Barber Declares New Preparation
is Undoubtedly Best Medicine
in the World.

"Tanlac has done wonders for me and I want everyone to know that it is the best medicine in the world. I simply can't say enough in praise of this preparation."

Bert C. Barber, well known farmer residing on rural route No. 3, Jacksonville, made this remarkable statement on April 21.

"I had kidney trouble for years and lately my stomach has been bothering me," he continued. "Invariably after meals my stomach would be in a soured condition. Gas formed in my stomach, making me feel bloated. I never was able to go to sleep before midnight. Pains from my kidneys bothered me so at times that I could hardly stoop over to wash my face."

"After reading about Tanlac in the newspapers I decided to try the new medicine. Well sir, I can eat most anything now and believe me, the food agrees with me perfectly. I never suffer any distress after my meals now. The pains in my back, due to the kidney trouble, have entirely disappeared, too. I sleep sound as a baby at night now and get up in the mornings feeling fine. In fact, I'm a well man now."

"My wife had a severe case of rheumatism. She took Tanlac at the same time I did and received just as good benefits as myself."

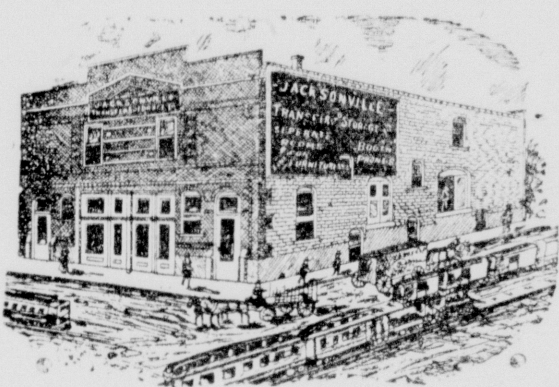

Tanlac, the master medicine, is especially beneficial for stomach, liver and kidney trouble, catarrhal complaints, nervousness, sleeplessness, loss of appetite and the like.

Tanlac is now being introduced in Jacksonville at the Coover-Shreve Drug Co., East Side store, where a special Tanlac representative is explaining the new medicine to the public daily. Tanlac also may be obtained at the West Side store of the Coover-Shreve Drug Co. It is sold everywhere at the Wyle Drug Co., in New Berlin at the New Berlin Drug Co., in Ashland at H. O. Brownback's and in Versailles at A. G. Bates' drug store.

Both Phones 721

With the Long Blue Chimney

Bakes your cakes evenly. You turn the flame high and make an omelet in ten minutes or—very low and bake a roast for hours. The heat stays at just the temperature you like. You don't need to watch it.

Hot bread in the morning. That's the time you will like the New Perfection. The oven takes ten minutes to heat through. Hot rolls for breakfast or bake your bacon. Don't make an extra big fire as on a coal or wood range, and wait, and wait for it to heat.

Turn it right off when you are through. Saturday baking doesn't heat the kitchen. The long blue chimney concentrates the heat. Keeps you cool and the dinner boiling. It keeps an even temperature; it keeps clean and the kitchen clean. It keeps fuel cost down, too. Saves one-third. Easy to fill; easy to light; easy to rewilt.

Look for triangle trade-mark. Ask your dealer to demonstrate this stove.

Standard Oil Company

72 W. Adams St. (Indiana) Chicago, U. S. A.

For best results use Perfection Oil

Senreco
The
double-service
tooth paste,
keeps teeth clean AND GUMS HEALTHY.

Keeping the gums healthy and the mouth sweet is very important to health; more teeth are lost through the loosening of the tissue that holds the teeth in place than from decay.

Dental science to-day demands that a tooth paste must keep the gums healthy as well as clean the teeth.

Senreco was formulated to meet this requirement. Hundreds of dentists are prescribing and using Senreco because they have found that it does measure up to that standard.

SENRECO IS A WONDERFUL CLEANSER.

In addition to its remedial properties Senreco is a wonderful cleanser; acts directly on the mucin film, the basis of tartar; leaves the mouth cool and clean-feeling. As some one has expressed it—Senreco gives one a new idea on mouth cleanliness.

Get a tube to-day at your druggists or toilet counter—enjoy the healthy, cleanly feeling its use gives your mouth and gums. Notice how brilliantly white Senreco makes your teeth. It performs this two-fold service for you and yet costs no more than the ordinary, old-fashioned tooth paste that simply cleans the teeth and leaves a pleasant taste—25 cents for a large 2 ounce tube.

MISS ELLA SHUFF DIES BY OWN HAND

Found Dead at House on South East Street Where She Lived Alone—Used Knife and Gas to End Her Life.

After trying to cut her throat, Miss Ella Shuff committed suicide by asphyxiation at her home, 703 South East street. The body was discovered by George M. Spires who is engaged in taking personal property assessments when he went to the house Monday morning.

It is not known when the death was committed but it occurred some time between last Thursday and Monday morning. Mr. Spires was at the residence last week but could get no response and supposed Miss Shuff had gone to the country to visit relatives.

He returned Monday morning and knocked on the door. He noticed the door was loose and knocked a second time. The jar caused the door to open so that he could look in and he saw Miss Shuff lying on the floor. He also noticed a strong smell of gas. Harry Platt, the mail carrier was in the vicinity and Mr. Spires called him and they forced the door and entered the house. They satisfied themselves that the woman was dead and then reported the matter to Coroner Rose.

Mentally Unbalanced.
There is no doubt but that Miss Shuff was mentally unbalanced when she took her own life. She left a number of notes written evidently at random. In these notes she denounced her relatives and made provision for the distribution of her property. She also mentioned in some of the notes about people prying into her affairs.

The woman in her endeavors to cut her throat evidently used a butcher knife and razor and another small knife. All of them were blood stained. The jagular vein was not severed, however, and it was the opinion of the physician called that death resulted from the gas rather than the cuts, tho they bled freely.

Inquest Held.
Relatives were notified and had the body removed to the undertaking parlors of W. W. Gillham, where an inquest was held by coroner Rose Monday afternoon. The jury heard the testimony of George M. Spires, which was substantiated as given above.

The testimony of Charles White, also was heard by the jury. Mr. White is a nephew of Miss Shuff, and he said she talked with him about financial matters recently. Mr. White said that Miss Shuff had a nervous breakdown about a year ago.

The jury after hearing the evidence returned a verdict that death resulted from asphyxiation from her own hand. The jury was composed of J. M. Summers, foreman; W. T. Cook, Ralph W. Hutchinson, Charles E. Grady, A. R. Endsley and Layton McGhee, clerk.

Had Spent Life Here.
Miss Shuff was the daughter of John and Angeline Lindsay Shuff and was born east of Jacksonville, and spent her entire life in this county and city. She was about 65 years of age. For the past twenty years she has been a resident of Jacksonville, where she followed the occupation of seamstress.

She is survived by the following brothers and sisters: Mrs. Mary White of Citronelle, Ala.; Mrs. Emma Smith of Kansas; S. O. Shuff of Jacksonville, J. L. Shuff of Spokane, Wash., and William Shuff of Kansas City. She was for many years a member of Antioch Christian church. No arrangements for the funeral have yet been made.

BIDS FOR COAL.
The Board of Education hereby asks bids for furnishing the coal needed by the city schools for the year ending April 1, 1918. Bids will be received until 12 o'clock noon, May 5, 1917, and are asked on 1 1/2 inch screened lump and 2x6 egg coal. The usual contract conditions will prevail. Coal is to be weighed on city scales, and the board reserves the right of rejecting any or all bids.

MARY E. PIERSON, Secy.

ARENZVILLE
Mrs. Elizabeth Beard returned from a visit at Jacksonville with her sister.
J. Zulauf, D. Polagrof autoed to Grace Chapel Sunday and visited Byron Houston.

Mrs. Tom Morrison of near Hopewell was a shopper here one day recently.
Mrs. Walt Pfeil was a caller at Beardstown Monday.

Mr. and Mrs. Schmitt of Iowa has been entertained by Mr. and Mrs. Arthur Schmitt.

Your last chance to buy the Encyclopaedia Britannica, printed on genuine India paper, ends in 2 or at the very latest 3 weeks from today.

We are close to the day when we must stop taking orders. The few remaining sets of the Britannica are selling so fast that if you want to be sure of getting a set, **NOW** is the time to order it.

And it is **NOW** or **NEVER** if you desire to own this great work in its most convenient form—the popular “Handy Volume” Issue, printed on genuine India paper.

These remaining sets are *the very last in the whole world*, printed on the famous India paper, that can be offered.

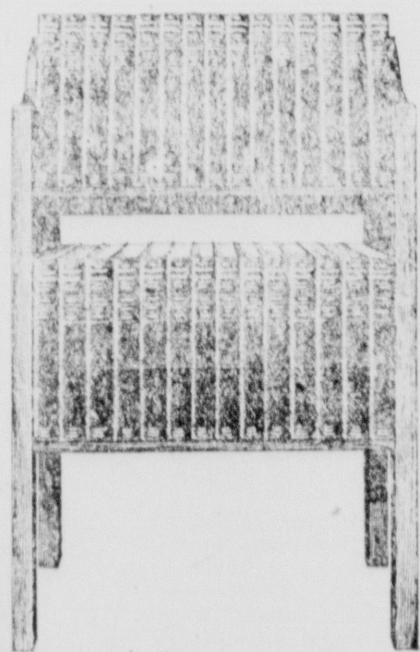

They are printed on the last India paper manufactured before the war made it impossible to get the special kind of flax from Belgium, Ireland and Germany and hemp from Russia for the making of India paper. No more of these raw materials is available, or will be procurable for years after the war, for the making of India paper.

And the only sets of the Britannica for sale anywhere in the world, printed on this beautiful paper, are right here in America.

Orders have greatly increased in the last month—the sales have jumped to an average of more than 2,000 sets a week. This fact makes it certain that the few remaining sets will not last beyond 2 or 3 weeks.

If you know the Britannica, know how useful it will be to you, and are quite sure you should own a set, *order it immediately. This is your only assurance of getting it.*

When the last day is announced on which we can accept orders with any prospect of filling them, it is reasonable to expect a great rush of orders to come in at the eleventh hour. This was shown last June when a slight increase in the price was made on account of the increase in the cost of bookmaking materials, and we received over 17,000 orders after the last day.

NOW or NEVER!

We are giving you warning **NOW** to save you any disappointment in never getting one of these *very last sets*.

In this case when the last set is gone you will not be able to buy a first-hand set of this great library of knowledge, printed on genuine India paper, at any price.

Today in England, Australia and other countries people who failed to buy the Britannica when they had the same chance that you have now are advertising for it and have to pay whatever premium may be put

on it by any owner who can be induced to sell his set.

Don't wait until the eleventh hour. Don't put off ordering until “tomorrow.” Take the time today to send in the “reserve order” coupon and then you will be *sure* of getting a set.

You should satisfy yourself that the Britannica will be useful to you in your business or work, increasing your mental efficiency and earning power. You still have a chance to know what the Britannica is and what it will mean to you.

LANE'S BOOK STORE
West State Street

and examine the Britannica for yourself. You can there see a complete set, investigate its contents in your own way, run through the index of 500,000 facts and learn all about this great work. You can compare the large-size, higher-price Cambridge issue and the popular “Handy Volume” Issue, which sells for about 60% less. You can also select the style of binding you prefer.

We don't want any one to order the Britannica unless he is positive that it will be useful to him. We could sell many thousands more sets if more India paper for printing them could be obtained.

Hence we desire that every single one of the remaining sets shall go to men and women who will find the Britannica a practical everyday help.

Go at once and see the different issues. You can leave your order at the same time. But this is **YOUR LAST OPPORTUNITY**—remember, when the last one of these remaining sets is sold you will **NEVER AGAIN** have an opportunity to buy this valuable work printed on genuine India paper.

Facts about the Britannica Proving its Usefulness

This great work is a complete survey of all knowledge.

Its 29 volumes contain 41,000 separate articles, covering every branch of human thought and activity.

It contains 500,000 indexed facts.

It is cosmopolitan in its viewpoint, unbiased in its presentation and authoritative in every particular.

It is the work of 1500 world-famous scholars and experts, each chosen because of his special knowledge of the subject he wrote about.

It could not be written today because the war would make it impossible to obtain from the contributors, who represented every civilized country, the same calm, unprejudiced view of national and historical subjects.

It deals with knowledge in the broadest, most practical way, making this knowledge usable for any purpose that knowledge is necessary.

It is written in an attractive, entertaining style which appeals alike to the business man, the woman of the home and the college professor.

It is a work that interests children, helping them in their studies and providing the foundation of a practical education.

It is owned and used by more than 175,000 men and women in all vocations, this number including more than 100,000 business men and women.

Only a few sets are left and when these are sold no more can be offered printed on genuine India paper. Therefore, it is ,

NOW OR NEVER
if you desire a set.

Those who cannot go to the store may use this reserve order form, which will be legally binding upon us to reserve one set for you, just the same as if you ordered it in person.

Sears, Roebuck and Co., Chicago, Ill.
Please reserve me a set of the “Handy Volume” Encyclopaedia Britannica, printed on genuine India paper. I enclose \$1.00 as first payment. Send me an order form which I agree to sign and return immediately.
